### Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

### Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan:

The Desert/Mountain Special Education Local Plan Area (SELPA) is located in the Desert/Mountain region of San Bernardino County. The Desert/Mountain SELPA is composed of participating local education agencies (LEAs) including LEA charter schools and charter schools of the district. The Desert/Mountain SELPA's LEAs cover more than a 20,100 square mile radius. Our region is from the mountains (Bear Valley) to Trona, from the top of the Cajon Pass to the Arizona border (Needles) and San Diego County where several of our charter schools are located.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable:

The Desert/Mountain SELPA regional governance and administrative structure of the local plan falls under the governance and administrative structure of the California Association of Health and Education Linked Professions (CAHELP) Joint Powers Authority (JPA). CAHELP JPA operates the departments of Desert/Mountain SELPA, Desert/Mountain Charter SELPA and Desert/Mountain Children's Center (a mental health component). CAHELP JPA is a consortium of local school districts within our geographical region and charter LEAs in our region and in San Diego County. Participating LEAs of the Desert/Mountain SELPA have joined in a cooperative effort to provide for the coordinated delivery of programs and services, and to assure equal access to such programs and services to eligible individuals with disabilities requiring special education within the Desert/Mountain SELPA. The CAHELP JPA Governance Council is the governing board of the Desert/Mountain SELPA and shall adopt policies for the Desert/Mountain SELPA and participating LEAs. The policies and procedures adopted by the CAHELP JPA Governance Council under the authority of the adopting LEA boards have the same status and authority as other LEA board policies. In adopting the Local Plan, each LEA agrees to carry out the duties and responsibilities assigned to each agency, or which may be designated at a later date through agreement/policy of the participating LEAs. Participating agencies may enter into additional contractual arrangements to meet the requirements of applicable federal and state law.

Section B: Governance and Administration

SELPA Desert/Mountain SELPA

Fiscal Year 2020-21

For Charter LEAs outside the geographic boundaries of the Desert/Mountain SELPA catchment area (San Bernardino County), the CAHELP JPA Governance Council shall ensure that these Charter LEAs have full access and opportunity to participate in the coordinated system of services for identified students with disabilities. To ensure that all identified students have access, a Charter LEA with assistance from the Desert/Mountain SELPA office, may enter into a Memorandum of Understanding (MOU) and/or a contractual arrangement with the local SELPA or surrounding SELPAs or other LEAs within close proximity to the Charter LEA, including nonpublic agencies and nonpublic schools, to ensure that students are identified, assessed, receive individualized education program planning, review, and reevaluation.

The function of the Desert/Mountain SELPA and participating LEAs is to provide quality educational programs and services appropriate to the needs of each eligible student with a disability who is enrolled within the Desert/Mountain SELPA. The Responsible Local Agency (RLA) Superintendent, LEA Superintendents and CEOs of the LEA Charters are responsible for the management and supervision of all special education program operations within the Desert/Mountain SELPA. All such programs are to operate in a manner consistent with the funding provisions of the California Education Code, the Individuals with Disabilities Education Act (IDEA), other applicable laws, and Desert/Mountain SELPA policies and procedures.

The Local Plan is a joint effort of the CAHELP JPA, San Bernardino County Office of Education (SBCOE), and participating LEAs, including Charter LEAs outside the geographic boundaries of the Desert/Mountain SELPA. SBCOE is also known as the Office of the San Bernardino County Superintendent of Schools (SBCSS) and will be referred to in this document as SBCOE. SBCOE is presently designated as the Responsible Local Agency (RLA) and Administrative Unit (AU) for the Desert/Mountain SELPA and the CAHELP JPA Governance Council. The CAHELP JPA Governance Council may change the RLA and AU at its discretion and in accordance with California law.

Participating LEAs work in cooperation with SBCOE to ensure that all eligible students with disabilities enrolled in alternative education programs including, but not limited to, alternative schools, charter schools, opportunity schools and classes, community day schools, community schools, and juvenile court schools within the Desert/Mountain SELPA will have access to appropriate special education programs and related services. The Desert/Mountain SELPA will ensure and provide support to the LEAs that are out of the geographic area to ensure that all eligible students with disabilities enrolled in alternative education programs have access to appropriate special education programs and related services.

All structural changes within the organization of the Desert/Mountain SELPA, including changes in governance, are decided through deliberations of the CAHELP JPA Governance Council. All conflicts are ultimately resolved through deliberations of the CAHELP JPA Governance Council. However, most concerns are managed within various committee interactions. The Desert/Mountain SELPA Steering/Finance committee examines program issues, staffing needs, fiscal issues and advises the CAHELP JPA Governance Council regarding adoption of the Annual Service Plan and the Annual Budget Plan. If necessary, recommendations regarding policies,

The CAHELP JPA Governance Council shall determine all policy matters for the CAHELP JPA.

Policies governing the Desert/Mountain SELPA shall be adopted by the CAHELP JPA Governance Council and are included as part of the Local Plan. Input may be received from parents, staff, public and nonpublic agencies, and members of the public at large. SELPA

Fiscal Year

CAHELP CEO is evaluated by a joint committee comprised of the Chair of the CAHELP JPA Governance Council and at least two other superintendents/CEOs from the CAHELP JPA Governance Council. The evaluation is confirmed by a vote of the CAHELP JPA Governance Council.

The CAHELP CEO shall have the responsibility for the coordination of all Desert/Mountain SELPA activities.

**Desert/Mountain SELPA Staff**

The CAHELP JPA Governance Council shall be responsible for designating the employees to support the functioning of the Desert/Mountain SELPA. In reviewing and approving the Desert/Mountain SELPA budgets on an annual basis, the CAHELP JPA Governance Council designates the employees for the Desert/Mountain SELPA office upon recommendation of the CAHELP JPA CEO.

Desert/Mountain SELPA employees shall be employed by the Responsible Local Agency (RLA) and supervised by the CAHELP JPA CEO according to the RLA's policy and practices. The CAHELP CEO shall use a selection process that is in accordance with the law and personnel policies of the RLA.

The supervision of the Desert/Mountain SELPA will be determined by the CAHELP CEO. An organizational chart showing the staff to be supervised by the members of the Desert/Mountain SELPA management team will be provided to the CAHELP JPA Governance Council annually.

**Program Managers**

The Desert/Mountain SELPA employs Program Managers for various departments within our organization. The departments may include but are not limited to:

- \* Resolution Support Services
- \* Regional Professional Learning
- \* Career Technical Education
- \* Prevention and Early Intervention
- \* Compliance

Included in the Desert/Mountain SELPA staffing are Program Specialists with areas of expertise to provide professional learning and supports to our LEAs.

5. Describe the policies and procedures of the SELPA that allow for the participation of charter schools in the local plan:

The function of the Desert/Mountain SELPA and participating LEAs is to provide quality education programs and services appropriate to the needs of each eligible student with a disability who is enrolled within the Desert/Mountain SELPA, including charter schools who

SELPA Desert/Mountain SELPA

Fiscal Year 2020-21

operate as a school of the district or as a LEA.

The Desert/Mountain SELPA currently has several LEA charter schools who are members. Some of these Charter LEAs are outside the geographic boundaries of the Desert/Mountain SELPA. The CEOs of the Charter LEAs in and outside of the geographic boundaries of the Desert/Mountain SELPA are responsible for the management and supervision of all special education program operations. To this end, the Desert/Mountain SELPA provides technical assistance in ensuring that all Charter LEAs have the support necessary to fulfill their legal obligations under California Education Code, IDEA, and other applicable laws, and the Desert/Mountain SELPA policies and procedures.

Charters who function as a school of the district operate under the policies and procedures of the Desert/Mountain SELPA through their authorizing district. Charters who operate as LEAs sign assurance of following the Desert/Mountain SELPA policies and procedures.

Charter schools that participate as a member LEA in the Desert/Mountain SELPA are deemed to be a LEA charter school. Any charter school located within the State of California may apply to the Desert/Mountain SELPA for participation as a LEA in the Desert/Mountain SELPA. If approved, a LEA charter school of the Desert/Mountain SELPA may be geographically located either within or outside the boundaries of San Bernardino County. Whether a LEA charter school is located within San Bernardino County or outside of the geographic boundaries of the county, a LEA charter school is responsible for compliance with all provisions of IDEA and implementing regulations and for ensuring that a FAPE is provided to all children with disabilities who are enrolled in and attend the charter school in the same manner as individuals with disabilities are served in other public schools.

Charter schools that seek to become LEA members of the Desert/Mountain SELPA should carefully consider their increased responsibility to provide FAPE as a LEA charter school as opposed to operation as a public school of the authorizing school district. LEA charter schools are independent entities under the IDEA. As a result, the LEA charter school, not the authoring school district, is responsible for the delivery of appropriate services to a child with a disability and compliance with IDEA.

A nonprofit charter school that desires to participate as a LEA member of the Desert/Mountain SELPA may petition the CAHELP JPA Governance Council for consideration to participate in the Desert/Mountain SELPA. In reviewing the request by a charter school to participate in the Desert/Mountain SELPA local plan, the CAHELP JPA Governance Council may not treat the charter school differently from the manner in which it treats a similar request made by a school district.

LEA charter schools will participate as an equal LEA member of the Desert/Mountain SELPA in the development and approval of the Desert/Mountain SELPA fiscal allocation plan and in the distribution of federal and state funds among the LEA members of the Desert/Mountain SELPA according to the method of distribution approved by the Desert/Mountain SELPA policy making

SELPA Fiscal Year 

process.

Charter schools that do not participate as a member LEA in an approved special education local plan area may not be deemed a LEA and shall be deemed a public school of the LEA that granted the charter.

LEAs that authorize charter schools as public schools of the district are responsible for ensuring that FAPE is provided to all children with disabilities who are enrolled in and attending the charter school.

To this end, the LEA must serve students with disabilities who attend a charter school in the same manner as students with disabilities are served in other schools of the LEA. Services to students with disabilities must include the provision of supplementary and related services on site at the charter school to the same extent to which the LEA has a policy or practice of providing such services on site to its other public schools.

The LEA must provide an equitable share of special education funding and/or services for the provision of special education to students with disabilities attending charter schools of the LEA. If funding is provided, such funding must be provided on the same basis and at the same time as funds are provided to other public schools in the LEA. This includes proportional distribution based on relative enrollment of children with disabilities in lieu of or in addition to providing funding for the provision of special education services. A LEA may provide any necessary special education services, including administrative and support services and itinerants services that are provided by the LEA on behalf of students with disabilities enrolled in the charter school of the district.

Specific criteria as outlined in policy may be met in order for a charter school to be considered for membership in the Desert/Mountain SELPA.

6. Identify and describe the representation and participation of the SELPA community advisory committee (CAC) pursuant to EC Section 56190 in the development of the local plan:

Each participating LEA, including those that are out of geographic boundaries, shall appoint representatives to the Community Advisory Committee (CAC) for the purpose of advising the CAHELP CEO regarding the development, amendment and review of the Local Plan, recommending annual priorities to be addressed by the plan; assisting in parent education; encouraging community involvement; and fulfilling such responsibilities as designated in the Local Plan.

Policies governing the Desert/Mountain SELPA shall be adopted by the CAHELP JPA Governance Council and are included as part of the Local Plan. Input may be received from parents, staff (general and special education teachers), public and nonpublic agencies, and members of the public at large during our Desert/Mountain Steering/Finance Committee meetings, CAC, and the CAHELP JPA Governance Council meetings. Individuals wishing an opportunity to address any committee/council meeting on a particular agenda item, or have the committee/council consider a topic, are invited to complete a Request to Address the particular committee of interest.

- 6. The employment of staff as designated by the CAHELP JPA Governance Council to support the Desert/Mountain SELPA functions.

The Desert/Mountain SELPA office is designated as the entity responsible for the administration of the Local Plan and assuring that the Desert/Mountain SELPA is in compliance with all applicable laws and regulations.

**B. Selection, Employment, and Evaluation of the Desert/Mountain SELPA Staff**

**C. CAHELP CEO**

The fundamental role of the CAHELP CEO is to provide leadership and facilitate decision making processes regarding the implementation of the Local Plan. The CAHELP CEO's role includes the provision of information, specific services identified by the CAHELP JPA Governance Council, technical assistance, leadership and arbitration in support of the participating LEAs. It is the CAHELP CEO's responsibility to represent the interest of the Desert/Mountain SELPA as a whole without promoting any particular LEAs interest over the interest of any other agency. In the event there are differences of opinions and/or positions on issues, it is the CAHELP CEO's responsibility to mediate a reasonable resolution of the issue(s).

The CAHELP JPA Governance Council shall be responsible for the selection, direction, discipline and evaluation of the CAHELP CEO. The CAHELP JPA Governance Council shall be assisted in the hiring and selection process by the RLA.

The CAHELP CEO is subject to the RLA's policies and procedures for day-to-day operations. The role of SBCOE is designated as the Responsible Local Agency (RLA) and Administrative Unit (AU) for the Desert/Mountain SELPA.

9. Describe the contractual agreements and the SELPA's system for determining the responsibility of participating agency for the education of each student with special needs residing within the geographical area served by the plan:

The LEAs within the Desert/Mountain SELPA join together pursuant to Sections 56140 and 56195 of the California Education Code to adopt a plan to assure access to special education and services for all eligible individuals with disabilities participating in education within the Desert/Mountain SELPA jurisdiction. Participating LEAs may enter into additional contractual arrangements to meet the requirement of applicable federal and state law.

In adopting the Local Plan, each participating LEA agrees to carry out the duties and responsibilities assigned to it within the plan. Each agency shall provide special education and services to all eligible students within its boundaries, including students attending charter schools where that LEA of the Desert/Mountain SELPA has granted that charter. In addition, each agency shall cooperate to the maximum extent possible with other agencies to serve individuals with disabilities who cannot be served in the LEA of residence programs. Such cooperation ensures that a range of program options is available throughout the Desert/Mountain SELPA.

Any participating LEA may provide for the education of special education students in special education programs maintained by other districts or counties and may include with the special education program students who reside in other districts or counties.

Pursuant to the provisions of Education Code Sections 56000 et seq., the Desert/Mountain SELPA shall plan, facilitate, implement, and administer the activities of the Desert/Mountain SELPA as approved by the State Board of Education, and shall perform those services as

required to accomplish the elements set forth in the plan as well as those required by state and federal law. Those services include, but are not limited to the following:

1. Coordinate community and state agency resources with those provided by participating LEAs and the RLA, including initiation of such contractual agreements as may be required.

Each district of special education accountability is responsible for the students within their jurisdiction. There are no additional contractual agreements that supersede education code.

10. For multi-LEA local plans, specify:

a. The responsibilities of each participating COE and LEA governing board in the policymaking process:

Education Code § 56200 (c)(2) requires that the Local Plan "specify the responsibilities of each participating county office and district governing board in the policy-making process, the responsibilities of the Superintendent of each participating district and county in the implementation of the Local Plan, and the responsibilities of LEA and county administrators of special education in coordinating the administration of the plan." In accordance with this provision, the Desert/Mountain SELPA has developed the following governance structure, policy development, and approval process.

The governing board for each LEA, Charter LEA and the San Bernardino County Superintendent approves the Agreement for Participation and the Local Plan for Special Education. As described within those documents, the Boards of Directors of the LEAs, delegate the administrative policy-making process and procedures for carrying out that responsibility to the governance structure of the Desert/Mountain SELPA.

b. The responsibilities of the superintendents of each participating LEA and COE in the implementation of the local plan:

The CAHELP JPA Governance Council, with direction from the LEA governing boards, shall be responsible for the following areas of Local Plan administration and shall act to:

1. Establish operational procedures and make decisions on any matters regarding implementation, administration, and operation of special education programs in accordance with the Local Plan;
2. Review and approve all Desert/Mountain SELPA policies, procedures, standards and guidelines;

  17. Annually evaluate the Local Plan implementation and operations; and

c. The responsibilities of each LEA and COE for coordinating the administration of the local plan:

LEAs, in adopting the completed Local Plan, agree to carry out the duties and responsibilities assigned within the plan, or which may be designated at a later date through agreement of the participating LEAs. Participating LEAs may also enter into additional contractual arrangements to meet the requirements of applicable federal and state law.

Each LEA shall ensure that children with disabilities are educated with children who are nondisabled to the maximum extent appropriate. Removal of children with disabilities from the general educational environment shall occur only if the nature or severity of the disability is such that education in general education classes with the use of supplementary aids and services cannot be achieved satisfactorily. It is recognized, however, that some students have educational needs so unique that it is not possible to meet those needs in their neighborhood schools or within their home LEAs. As a result, some students will need to receive services from other LEAs within the Desert/Mountain SELPA, or through additional contractual arrangements with LEAs outside of the Desert/Mountain SELPA. Each LEA shall cooperate to the maximum extent possible with other agencies to serve individuals with disabilities who cannot be served in the LEA of enrollment. Such cooperation ensures that a range of program options is available through the Desert/Mountain SELPA.

b. The local method used to distribute federal and state funds to the SELPA RLA/AU and to LEAs within the SELPA:

All federal and state special education funds shall be allocated to the Desert/Mountain SELPA AU for distribution to LEAs according to an approved special education funding allocation plan. Any changes to the allocation of federal and state special education funds shall be made by the CAHELP JPA Governance Council as permitted under the JPA Agreement and Bylaws, and California and federal law.

1. Responsibilities for Distribution of Federal and State Funds

The governing boards of the LEAs participating in the Desert/Mountain SELPA have agreed that students with disabilities will be provided with appropriate special education services. The CAHELP JPA Governance Council has been designated the authority to determine the distribution of all federal and state special education funds in order for LEAs to carry out their responsibilities. The AU shall be responsible for the distribution of funds according to an approved special education funding allocation plan. The CAHELP CEO is responsible to ensure the funds are distributed in accordance with the funding allocation plan.

The Desert/Mountain SELPA Steering/Finance Committee shall participate in the development of the Annual Budget Plan for review and approval by the CAHELP JPA Governance Council. The Annual Budget Plan shall be distributed to LEAs and the CAC upon approval by the CAHELP JPA Governance Council.

State and federal funds are deposited from the San Bernardino County Treasury into the County School Service Fund (AU), unless otherwise directed by the CAHELP JPA Governance Council. The Desert/Mountain SELPA provides an annual allocation plan to SBCOE for distribution of state and federal funds to the LEAs according to the approved schedule of disbursement.

c. The operation of special education programs:

The function of the Desert/Mountain SELPA and participating LEAs is to provide quality educational programs and services appropriate to the needs of each eligible student with a disability who is enrolled within the Desert/Mountain SELPA. The Responsible Local Agency (RLA) Superintendent, LEA Superintendents and CEOs of the LEA Charters are responsible for the management and supervision of all special education program operations within the Desert/Mountain SELPA. All such programs are to be operated in a manner consistent with the funding provision of the California Education Code, the Individuals with Disabilities Education Act (IDEA), other applicable laws, and Desert/Mountain SELPA policies and procedures.

For Charter LEAs outside of the Desert/Mountain SELPA geographical area, the Desert/Mountain SELPA will provide technical assistance to ensure the Charter LEAs have support necessary to fulfill their legal obligations under California Education Code, the Individuals with

Section B: Governance and Administration

SELPA

Fiscal Year

Disabilities Education Act (IDEA), other applicable laws, and Desert/Mountain SELPA policies and procedures.

The Desert/Mountain SELPA Local Plan is a joint effort of the CAHELP JPA, SBCOE, and participating LEAs, including Charter LEAs. Participating LEAs work in cooperation with the SBCOE to ensure that all eligible students with disabilities enrolled in alternative education programs including, but not limited to, alternative schools, charter schools, and juvenile court schools within the Desert/Mountain SELPA will have access to appropriate special education programs and related services. The Desert/Mountain SELPA will ensure and provide support to the LEAs that are out of the geographic area to ensure that all eligible students with disabilities enrolled in alternative education programs have access to appropriate special education programs and related services.

d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs:

Funds allocated for special education programs shall be used for services to students with disabilities. Federal funds under Part B of IDEA may be used for the following activities:

1. For the costs of special education and related services and supplementary aids and services provided in a general education class or other education-related setting to a student with a disability in accordance with the IEP for the child, even if one or more nondisabled children benefit from these services.

2. To develop and implement a fully integrated and coordinated services system.

The CAHELP CEO, with the assistance of the Desert/Mountain SELPA Steering/Finance Committee, and the AU shall be responsible to monitor on an annual basis the appropriate use of all funds allocated for special education programs. Final determination and action regarding the appropriate use of special education funds shall be made by the CAHELP JPA Governance Council through the Annual Budget Plan process.

The Desert/Mountain SELPA monitors the distribution and appropriate use of funds and shares this information with the Desert/Mountain SELPA Steering/Finance Committee. When necessary, meetings are held with individual LEAs for the purpose of monitoring funds. The Desert/Mountain SELPA is responsible for the preparation of program and fiscal reports requested by the State.

The CAHELP CEO shall be permitted to monitor the LEAs special education program implementation to ensure compliance in all areas including finance, service delivery, and legal requirements. If the CAHELP CEO or designee determines that an LEA is not compliant and/or not operating in a fiscally responsible manner, the CAHELP CEO may require that the responsibility for resulting costs be borne by the LEA or take such other action as may be required to remedy the matter. The LEA will have the right to appeal any such determination to the CAHELP JPA Governance Council. The decision of the CAHELP JPA Governance Council shall be final.

Section B: Governance and Administration

SELPA

Fiscal Year

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments:

Both state and federal law provide that students with disabilities are entitled to a free appropriate public education (FAPE) that includes special education and related services to meet their unique needs in the least restrictive environment (LRE). Each Desert/Mountain SELPA member must ensure that all children served under their jurisdiction who have disabilities, regardless of the severity of their disability, and who are in need of special education and related services are identified, located, evaluated, and served. Therefore, a full continuum of services are available within the Desert/Mountain SELPA.

Due to the large geographical area of the Desert/Mountain SELPA, the Local Plan provides funding per the Desert/Mountain SELPA Fiscal Allocation Plan to the member LEAs so they may appropriately provide for all students with special education needs attending their schools.

The CAHELP JPA Governance Council has indicated its strong preference for a decentralized structure that would keep as many children as possible appropriately served in their LEA of enrollment. It is felt that only when there is convincing evidence that a service is more economically feasible on a regional level would service be provided outside of the local LEAs. Leaving most programs with local LEAs will ensure their responsiveness to local interests and values; minimize transportation; encourage inclusion; and reduce duplication of administrative and service costs.

**Policies, Procedures, and Programs**

Pursuant to *EC* sections 56122 and 56205(a), the SELPA ensures conformity with Title 20 *United States Code (USC)* and in accordance with Title 34 *Code of Federal Regulations (CFR)* Section 300.201 and has in effect policies, procedures, and programs. For each of the following 23 areas, identify whether, or not each of the following provisions of law are adopted as stated. If the policy is not adopted as stated, briefly describe the SELPA's policy for the given area. **Special Education Local Plan Area Funding Distribution**

Describe the basic premise of the SELPA Allocation Plan for distributing dollars as closely as possible to how they are earned.

State AB 602 special education funding is distributed equally to each LEA based on average daily attendance and federal funds are distributed equally based on December 1 pupil count. The D/M SELPA retains some funding at the governance board's discretion to centralize and increase services.

Describe how the SELPA distributes IDEA revenues to the LEAs, including the models used to provide services to member LEAs:

The D/M SELPA special education revenue distribution model combines CDE certified state AB 602 funding and federal funding to calculate an equalized funding rate. Each LEAs certified ADA is multiplied by the equalized rate to calculate the LEAs apportionment. Adjustments are made off-the-top of the apportionment to cover purchased services, small district protection, and other governance approved service and support fees. The adjusted apportionment funds are distributed to members. Payments for AB 602 apportionments are processed monthly upon receipt of funds from CDE. Federal fund expenditures reports are collected and reported as prescribed by CDE and funds are distributed to members upon receipt of funds.

### **6.0 PUBLIC HEARING**

#### **6.1 Desert/Mountain SELPA Local Plan – First Read**

California Education Code requires that a Special Education Local Plan be presented for public hearing prior to submission to the California Department of Education (CDE). The Local Plan describes how special education services are provided for eligible students who reside within a Special Education Local Plan Area (SELPA) region. By July 1, 2020 all SELPAs are required to submit a Local Plan using CDE adopted templates. A first reading draft of the 2020-21 Desert/Mountain SELPA Local Plan will be presented for public hearing.

Jenae Holtz presented the Desert/Mountain SELPA Local Plan – First Read for the committee members to review then provide feedback. She stated that following this meeting, there will be a workgroup to do specific activities around the local plan. Jenae reported that CDE is requiring all SELPAs to rewrite their local plans this year using a format mandated by CDE. She continued some of the language was carried over from the previous local plan but there are additions as well. The workgroup will go through the local plan in detail and allow Jenae to receive immediate feedback. Jenae said CDE is also requiring policies and procedures be included in the local plan so those will be presented at the public hearing on March 20, 2020. Current D/M SELPA policies cover most areas but there will be additional policies implemented. At March 2020 D/M SELPA and Finance Committee Meeting, the second read will be presented with adjustments suggested in work groups. Jenae said the final version of the local plan will go to Governance Council for approval in April 2020. After it is approved by Governance, the local plan including the board policy and administrative regulations will be submitted to CDE by June 30, 2020. Jenae reported that D/M SELPA has one year for the local plan to be approved by all member LEA boards with documentation due to CDE by June 30, 2021.

#### **6.2 Desert/Mountain SELPA Board Policy – First Read**

Pursuant to *EC* sections 56122 and 56205(a), the SELPA ensures conformity with 20 *USC* and in accordance with 34 *CFR* Section 300.201 and has in effect policies, procedures, and programs. The Desert/Mountain SELPA Board Policy (BP) 0000, a component of the Local Plan Section B: Governance and Administration will be presented for first read.

Jenae Holtz presented the Desert/Mountain SELPA Board Policy – First Read. She said the board policy was created based on the new local plan template. Jenae said CDE is requiring policies to be numbered though many SELPAs do not have numbering system but instead use chapters or handbooks. Jenae said over the next year, D/M SELPA be changing their policies to a numbered system to support the local plan. She continued that the Governance and Administration Board Policy provides the basic requirements of what the SELPA is responsible for and obligated to so that LEAs have a clear understanding of what they are agreeing to as a member of the D/M SELPA. Jenae stated the board policy reads similar to the assurances that are signed when an LEA joins D/M SELPA.

### 6.3 Desert/Mountain SELPA Administrative Regulations – First Read

Administrative Regulations describe how Board Policy will be carried out. The Desert/Mountain SELPA Administrative Regulation (AR) 0000 will be presented for first read.

Jenae Holtz presented the Administrative Regulations of the Board Policy. She said numbered systems have board policy and administrative regulation policy which is a “how to” and more detailed than the board policy.

Jenae stated the D/M SELPA Local Plan, Board Policy, and Administrative Regulations are for the committee members to read through. She asked committee members to contact her with any questions or requests for clarification. Jenae said at the next public hearing, the questions that have been brought to Jenae will be shared along with the changes made or the reasons the changes were not made. She concluded that all input is greatly appreciated and needed.

## **7.0 CONSENT ITEMS**

It is recommended that the Steering and Finance Committee consider approving several Agenda items as a Consent list. Consent Items are routine in nature and can be enacted in one motion without further discussion. Consent items may be called up by any Committee Member at the meeting for clarification, discussion, or change.

7.1 **BE IT RESOLVED** that a motion was made by Matthew Fedders, seconded by Cheri Rigdon, that the following Consent Items be approved as presented. A vote was taken and the following carried: 15:0: Ayes: Baird, Benitez, Briggs, Colvin, Davis, Fedders, Frederick, Gormley, Hannett, Kroener, Miller, Rigdon, Silva, Wheeler, and Wiesner, Nays: None, Abstentions: None.

### 8.1 Special Education Summit

Jenae Holtz provided information regarding the Special Education Summit, which is scheduled for Thursday, September 10, 2020 8:30 a.m.- 4:00 p.m. at the Desert Mountain Educational Service Center. She shared a superintendent had asked for CAHELP JPA to host a summit that would address concerns in special education as a whole system instead of by child. Jenae said a flyer will be created and distributed with registration information. Jenae said superintendents and CEOs should attend as well as special education directors, school psychologists, teachers and anyone else that can add to the conversation of system change and what can be done collectively to look at special education. She continued there will be a facilitator and different activities for brainstorming and prioritizing.

### 8.2 CDE Mega Letters

Jenae Holtz reported that most LEAs received a mega letter from CDE. The mega letter is full of information regarding compliance issues. She continued that Peggy Dunn and Colette Garland compiled data on a spreadsheet and distributed the information to the proper LEAs. Jenae said D/M SELPA is devising a plan to help and support the LEAs.

### 8.3 Special Education and Section 504

Jenae Holtz called on Kathleen Peters to lead a discussion on the relationship between special education and Section 504. Diane Hannett asked what the relationship is between the IEP teams and the 504 teams, specifically when a student is assessed and identified with a disability but does not require specialized academic instruction (SAI). She is trying to work with her IEP team on how to talk to parents about moving children to 504 plans.

Cheri Rigdon shared that her IEP team and 504 team work collaboratively because a 504 plan looks at accommodations within the general education setting where an IEP is looking at accommodations, modifications, plus SAI. Cheri continued that if SAI is being dropped but the student still needs supports in general education, it is appropriate for the IEP team to suggest a 504 plan then move forward.

Diane said she is of the same opinion as Cheri and has shared it with her LEA's 504 team and added that IEP teams should be able to explain to parents the option of general education accommodation plans.

Matthew Fedders said there are thirteen specific disabilities covered by Individuals with Disabilities Education Act (IDEA). He continued that it is important to be able to explain to the parents the federal law behind the thirteen disabilities.

Diane continued her LEA 504 committee has focused on the section 504 language of "substantially limits a major life function". She said the committee seems to have set the standard to qualify for a 504 plan to be the same as for an IEP. Diane said she will work with the 504 committee more but asked for a legal opinion to present to her district 504 committee.

Suzette Davis added that educators and administrators need to be educated on 504 Plans and IEPs because many do not know what a 504 plan is and jump right to placing a child on an IEP.

Renee Garcia shared there is a 504 Manifestation Determination training provided at D/M SELPA that includes a section on procedural safeguards. She said the training is offered regionally but can be done on-site as well.

Kathleen reported that attorney Megan Moore presented at the September 23, 2019 Directors' Training on Section 504. Kathleen said section 504 is intended for impairments. If a child has a

disability and school staff suspects the disability is impacting the academics, social, or emotional areas, the child must be assessed. Kathleen continued a 504 plan does not replace any services or assessments that would be provided through IDEA. Kathleen said she sometimes sees a student arrive with an impairment and the LEA goes directly to a 504 plan but does not assess the child. Kathleen reiterated that the law says if there is reason to suspect, assessments must be done. If a child has been identified as needing special education and you do meet the child's needs, the law does not see the services as sufficient if there is still an impact on learning, social, or emotional. She continued that 504 plans do not substitute for special education and it is dangerous to delay an assessment to a child on a 504, or to move them from special education to a 504 plan.

Diane asked if it is acceptable for an IEP team to direct parents towards seeking a 504 when their student does not qualify initially or no longer qualifies at the time of a triennial.

Kathleen replied they are different requirements with different plans. She said she cannot advise that because a child is being exited from an IEP they are to be moved to a 504 plan.

Jenae Holtz said if the student's assessment is clear, and the data and evidence are clear that the student no longer requires the services of special education but that they do need some supports for an impairment, a 504 could be an option. She restated that if the assessment, data, and evidence shows a child's disability no longer affects education but it is an impairment that may need supports, a 504 plan might be appropriate. Jenae continued that she believes IEP teams and 504 teams should work collaboratively. She said the LEAs must be extremely careful with multiple observations, interviews, and the assessment protocol. Jenae said assessments, evidence, and data must support moving a child from an IEP to a 504 and added the 504 plan cannot use the same wording as the student's IEP.

Cheri Rigdon shared that some parents will disagree with their child being removed from special education because they believe the child needs supports in general education. She said when this happens, her district has gradually lessened the services and continues to assess and observe the student to see if adjustments need to be made.

Lisa Nash added if an LEA is reaching the point where the parent wants to keep their child in special education contrary to the assessments and data, reducing SAI and supports with continued monitoring and fading out is something to be considered. This would allow services to be increased if needed.

Jenae concluded it is very important to consider the disability keeping in mind the thirteen specific disabilities covered by IDEA.

### 8.4 California Longitudinal Pupil Achievement Data System (CALPADS) Submissions

Jenae Holtz provided information regarding the recent California Longitudinal Pupil Achievement Data System (CALPADS) submissions. She reported when San Bernardino County Superintendent of Schools (SBCSS) entered the Desert/Mountain Operations (DMOPS) portion of the submission, it overwrote the primary service provider being the LEA. Jenae continued this error does impact funding and that the district superintendents were notified previously. The funds will be delayed until January 2021 and will be retroactive. Jenae said it was not an SBCSS error but it was a CALPADS glitch that was discovered after the submission due date.

### 8.5 Desert/Mountain Children's Center Client Services Reports

Linda Llamas presented the D/M Children's Center (DMCC) Client Services monthly reports. She shared that in the month of January 2020, DMCC had 374 new clients added which is an average of 93 new students per week. This consists of doing assessments and providing services. Linda asked to be contacted if there any issues on school campuses so concerns can be addressed as soon as possible.

Cheri Rigdon expressed her gratitude for DMCC Intervention Specialist Emily DeVries for helping with a recent case. Cheri shared it was a tough case and Emily went above and beyond.

### 8.6 Professional Learning Summary and Update

Heidi Chavez presented the D/M SELPA's Professional Learning Summary and update. She shared registration for the February 26, 2020 I-MTSS Symposium is open through Monday, February 24, 2020. Heidi reminded the committee that David Pelzer and Kristin Souers will be presenting at the National Orange Show in San Bernardino.

Heidi stated Crisis Prevention Institute (CPI) Flex-Blended Learning allows for three administrators that have taken the course in the past two years to complete Day 1 online. Heidi stated that there is a possibility that more online opportunities will be available next year.

Heidi reported Structured Literacy What, Why, Who, and How? will be presented by Bonnie Garcia on May 11, 2020. Heidi said the training will look closely at Tier 2 interventions and practical applications for reading. It was confirmed that the training is for general education teachers and special education teachers that have struggling readers.

Heidi shared that at the Community Advisory Committee (CAC) on February 20, 2020, there were more than 60 people in attendance. Heidi recognized Program Technician Jennifer Harms for presenting on positive behavioral intervention and supports in the home. She added that Jenae Holtz will be presenting on transition planning at the CAC meeting on May 14, 2020.

Vici Miller added it was a fabulous training and that Jennifer did a fantastic job presenting. She said there were attendees from San Diego and Rialto. Vici mentioned that parents were taking notes and engaged. She also said that many districts representatives do not attend the meetings though they really should.

Jenae Holtz said it is a requirement for each member LEA to have a CAC representative. She said CAC's goal is to grow parent involvement and include community stakeholders. The meetings are opportunities to build positive relationships with parents.

### 8.7 Resolution Support Services Summary

Kathleen Peters presented the D/M SELPA's Resolution Support Services Summary. Kathleen shared that she continues to hear frustration from parents about being unhappy with their advocates and attorneys. She said it is important to get ahead of the filings and continue to build relationships with parents. Kathleen has found attorneys are searching for current students that received initial assessment in third grade and filing for Child Find on previous years.

Diane Hannett shared her LEA had a recent filing with an eleventh grader with autism that has been successful in mostly general education classes. That case has been settled but there is now a case involving a middle school child with the parent of the high schooler acting as the advocate. Diane asked if there are confidentiality issues that would prevent the high school parent from disclosing case information.

Kathleen responded that the parent has the right to share the information because it was her case.

Marie Silva thanked Kathleen Peters, Lisa Nash, and Adrien Faamausili for helping her LEA with resolutions supports and for reducing the stress around the cases.

### 8.8 Prevention and Intervention Update

Kami Murphy presented Prevention and Intervention Updates. Kami said the Prevention and Intervention department serves both D/M Charter SELPA and D/M SELPA. She continued that additional personnel have been added to the department through the triage grant. Kami shared the new outreach team brochure for the high desert area school sites. Kami provided information regarding the 2019/20 California Positive Behavioral Interventions and Supports (PBIS) Recognition System. She reviewed the timeline and shared that the kickoff webinar is scheduled for February 28, 2020. Kami asked to be contacted if additional information is needed.

Kami reported the Prevention and Intervention team is planning for next year and will be making appointments with districts that are implementing PBIS. She continued if there are school sites that are interested but are not currently working with the team, to contact her or Athena Vernon.

### 8.9 Compliance Update

Peggy Dunn presented an update on compliance items from the California Department of Education (CDE). She reported that she emailed a copy of the mega letter and a spreadsheet to the directors providing the compliance areas for each LEA. Peggy continued that D/M SELPA will be scheduling workshops to assist LEAs with compliance reports along with program specialists. Peggy reported the districts in Significant **Disproportionality** are required to attend workshops. These districts are Adelanto SD, Barstow USD, and Hesperia USD. She said districts in Targeted Review, Intensive Review, or Preschool Review are Apple Valley USD, Lucerne Valley SD, Snowline JUSD, Victor Elementary SD, and Victor Valley UHSD. Peggy stated that the majority of the LEAs are in Targeted Review only. She said CDE sent an email earlier this morning providing workshop dates.

Jenae Holtz confirmed that dependent charter schools will now receive separate mega letters from the LEAs and are part of compliance. She continued that CDE is developing a template that will be a report for compliance concerns

Colette Garland shared that as of February 20, 2020, the Targeted Review workshop with CDE was scheduled for April 14 in Riverside and April 15 in San Bernardino. Colette will confirm the dates then notify LEAs. She said the first part of the compliance reports is the assurances that need to need to be signed and returned to her as soon as possible so they can be signed by Jenae Holtz and submitted to CDE before the March 1, 2020 due date.

Jenae said D/M SELPA workshop dates are being scheduled and will be shared with the LEAs so diverse LEA groups can be brought together to write the compliance report. Jenae said if an LEA wrote a Performance Indicator Review (PIR) plan last year, use that to show CDE what the progress has been and what the future thoughts are to address the current issues.

### **9.0 FINANCE COMMITTEE REPORTS**

#### **9.1 Governor's Budget**

Marina Gallegos presented information from the Governor's Budget. She said the preliminary budget was released in January 2020. Assembly Bill 602 which is the current special education funding model, sunsets July 1, 2020. The new proposal allows \$645 million from the 2019-2020 budget to equalize funding up to the state target rate. It was previously one-time funding but will be ongoing beginning 2021 and will be repurposed to raise the per Average Daily Attendance (ADA) special education funding rate to \$660 from approximately \$500. The new proposal will also eliminate proration factor which has been a deficit factor for many years. The funding will be allocated on a three-year rolling ADA average. The SELPAs that are funded at \$660 will also receive cost of living adjustment (COLA) for future years with an ultimate goal of equalization. The proposal maintains the categorical programs not included in the base funding which are program specialists, low incidence, and mental health funding. The funding will continue to flow through D/M SELPA and be allocated as directed by the Governance Council. The proposal allocates \$1.1 million in one-time funding to study the current SELPA Governance and Accountability structure and an improved accountability for special education service delivery and student outcomes with another \$4 million in one-time funding for dyslexia research, training, and statewide conference.

Marina also shared trailer bill language regarding freezing funding for low-incidence pupils and freezing program specialist funding. Marina said more information will be provided in the May revise. She continued there is \$250 million for second year of one-time funding for preschoolers with disabilities.

Jenae Holtz stated there are usually adjustments made in the May revision but they are not too drastic. She continued that D/M SELPA budget development is still in process but she does expect it to be presented at the April Steering and Finance Committee Meeting for approval then taken to the April Governance Council Meeting. Jenae asked for finance questions to be directed to Marina.

### **11.0 STEERING COMMITTEE MEMBERS COMMENTS / REPORTS**

David Wheeler reported that Apple Valley USD has contracted with Pacific Audiologics for many years to do vision and audiology screenings. He shared that this year, the assessments results are not being received on time and the LEA is being billed when they have only received about one third of results for completed assessments. David asked if any other LEAs are having the same issues.

Jenae Holtz stated that D/M SELPA does not contract with Pacific Audiologics but does contract with Pacific Hearing for audiology services. She commented that Helendale SD has recently contracted with Pacific Audiologics but have not started receiving services yet. Jenae will have Michael Esposito with Helendale SD contact David Wheeler. Jenae asked committee members to notify her if there are any issues.

Renee Castillo shared that Apple Valley USD has a student with severe autism and a severe speech impairment. She said his parents are finding that sign language is providing him with the best and least frustrating ability to communicate. The student is in a mild/moderate classroom at school and staff is not trained in sign language. She continued that the child is not fluent enough to have an interpreter with him. Renee is looking for resources to support students with disabilities that have limited communication skills.

Jenae said she will talk to Rich Frederick about what can be done. She will also reach out to other SELPAs to see how they handle those situations.

Tanya Benitez asked if any committee members are having issues with Unlisted Resources. She said there are approximately 118 students where teachers have added accommodations for California Assessment of Student Performance and Progress (CAASPP) testing. Tanya stated that using the resources requires an LEA to get pre-approval from CDE on a student by student basis.

Colette Garland stated there is a section on the IEP for unlisted resources but it is not part of the file that is sent to the Web IEP coordinators because it does have to be pre-approved. She said there is a red flag in Web IEP so the IEP team is aware that CDE approval needed.

Cheri Rigdon reported that in the past month, there have been a few groups of people trying to get on base stating they are approved to work with districts. She has been denying entry because she has not been contacted and the groups have not been able to provide information as to who has approved their services.

Jenae responded those groups are not with D/M SELPA. She suggested Cheri research what agency the group is with. Jenae said denying them access to the base is the right thing to do.

### **12.0 CEO COMMENTS**

# CALPADS Update Flash #178

Date: May 15, 2020

To: Local Educational Agency Representatives

From: California Department of Education – CALPADS Team

---

## 2019–2020 End of Year Submissions

As noted in a letter dated May 13, 2020 sent to district and county superintendents and charter school administrators, as well as in Flash #175, all CALPADS End-of-Year (EOY) submissions are required in order to support mandated state and federal reporting requirements. Beginning May 11, 2020, CALPADS began processing EOY snapshots. The initial deadline is July 31, 2020 and the final deadline is August 28, 2020. The four-year adjusted cohort graduation rate (ACGR) reports are refreshed nightly and will continue to refresh until the data are pulled from the CALPADS Operational Data Store (ODS) on August 28, 2020.

This year's EOY submission includes three new files as part of EOY 3, and a new EOY 4 submission for special education data. With these changes come new input validation rules (IVRs), certification validation rules (CVRs), and reports.

## Suggestions for EOY Submission Order

The CDE suggests that LEAs certify submissions in the following order:

- EOY 2 - Program Participation
- EOY 4 - Special Education
- EOY 3 - Cumulative Enrollment, Student Incident, Student Absence Summary
- EOY 1 - Course Completion, Career Technical Education (CTE)

This submission order is not required, but is suggested for the following reasons:

- EOY 2 is a straightforward submission and most of the data certified as part of this submission should have already been updated in CALPADS. The only change to EOY 2 is the removal of the homeless count, which is now in EOY 3.

- EOY 4 should be submitted and certified next because as LEAs submit special education records they identify enrollment updates they need to make before certifying cumulative enrollment counts in EOY 3.
- Much of the data for EOY 3 can be submitted now, such as the student absence summary data, and student incident data, since LEAs are no longer taking attendance, and it is unlikely that student incidents will occur. However, LEAs need to ensure that all enrollment updates have been made, and certifying EOY 4 will identify any updates that need to be made. In addition, the CDE encourages LEAs to continue updating the program records that identify students as Free and Reduced-Price Meal (FRPM) eligible (Migrant [135], Free Meal [181], Reduced-Price Meal [182], and Homeless [191]) through the end of June because FRPM eligibility can provide benefits to students whose families apply under the Pandemic-EBT program administered by the California Department of Social Services.
- Anticipating that grades and credits earned may require policy and process changes, it may make sense to complete the EOY 1 submission last.

### **New Student Incident Files in EOY 3**

As described in Flash #159, the Student Discipline (SDIS) file has been retired and the module has been expanded to collect a broader range of incidents that includes incidents in which students commit statutory offenses, and incidents in which students are restrained or secluded. The module now includes the following three new file types:

<b>Record Type Code</b>	<b>Name</b>
SINC	Student Incident
SIRS	Student Incident Result
SOFF	Student Offense

For more information on these three new files, LEAs should refer to the CALPADS File Specifications (CFS), the Data Guide, and Error List. LEA Administrators should attend Advanced EOY Training (for experienced administrators), or EOY 3 training (for administrators who are new or who need a refresher).

In order for the EOY 3 to be certified, LEAs must approve all EOY 3 aggregate certification reports, and their Special Education Local Plan Area (SELPA) must approve the reports specific for students with disabilities. While SELPAs are not required to certify the reports that include counts of incidents and results that include general education as well as students with disabilities (Report # 7.10, Report # 7.11), LEAs are strongly encouraged to provide SELPAs access to these reports so that they

can assist in the identification of potential disproportionality issues. The EOY 3 reports are summarized below:

Report #	Report Name	SELPA Approval Required
7.10	Incident - Count	No
7.11	Incident Results - Count	No
7.12	Incident Result – Student List	No
7.13	Student Offense – Count by Offense	No
7.14	Incident Offense – Student List	No
7.15	Incident Results - Persistently Dangerous Offense Expulsions	No
7.16	Incident Restraint, Seclusion, and Removals for Students with Disabilities - Count	Yes
7.17	Unilateral Removals for Students with Disabilities - Count	Yes
7.18	Incident Removals for Students with Disabilities – Student List	Yes

### Population of the Instructional Support Indicator on the SINC File

To meet federal reporting requirements, the CDE must collect whether any student who committed a statutory offense and was *suspended or expelled* received instructional support. LEAs are not required to provide instructional support to general education students who have been suspended or expelled; however, the CDE is required to report whether instructional support was provided.\* LEAs are required to provide instructional support to students with disabilities who are suspended or expelled after a duration of 10 days.

The *Student Instructional Support Indicator*, previously on the SDIS file, is now Field 18.16 on the Student Incident (SINC) File, and LEAs receive a fatal error (SINC0496) if Field 18.15 - *Statutory Offense Indicator* is "Y" and Field 18.16 is not populated. To facilitate the collection of this data, the **SINC0496 input validation will be disabled**, and in June a new certification validation will be implemented that will trigger if Field 18.16 – *Student Instructional Support Indicator* is not populated for students with

Incident Result Codes of 100 (Out-of-School Suspension), 110 (In-School Suspension), or 200 (Expulsion) on the Student Incident Results (SIRS) file.

\*Note that *Education Code* sections 47606.2(a) and 48913.5(a) require teachers to provide to a pupil in any grades 1–12, who has been suspended for two or more school days, the homework that the pupil would otherwise have been assigned.

## New EOY 4 Submission – Special Education

For EOY 4, LEAs are required to submit Special Education (SPED), Student Services (SSRV), and Postsecondary Status (PSTS) files, and LEAs and SELPAs must approve all EOY 4 reports for the submission to be certified. Flash #176 detailed all the new/updated IVRs related to SPED and SSRV and new CVRs related to EOY 4.

The EOY 4 reports are summarized below:

Report #	Report Name	SELPA Approval Required
16.1	Students with Disabilities – Education Plan by Primary Disability Count (EOY4)	Yes
16.2	Students with Disabilities – Count by Federal Setting – Count (EOY4)	Yes
16.3	Students with Disabilities Profile – List (EOY4)	Yes
16.5	Students with Disabilities – Student Services by Primary Disability (EOY4)	Yes
16.6	Students with Disabilities – Student Services – Student List (EOY4)	Yes
17.3	Postsecondary Survey Outcome for Students with Disabilities – Count	Yes
17.4	Postsecondary Survey Outcome for Students with Disabilities – Student List	Yes

## Additional EOY Functionality

Additional functionality for EOY 3 and EOY 4 is expected to be rolled out by mid-June 2020 as detailed in the following table:

Change #	Description
1717	Add New District of Special Education Accountability (DSEA) Extract to Extract Menu
1806	Add New SELPA reports to EOY 3
1083	Add New SELPA Reports to EOY 4
1634	Add New County/Authorizing Reports to EOY 3
1722	Add CERT056 – <i>Special Education Exit Code for Non-Special Education</i> to EOY 3
1634	Add New CVR for <i>Missing Special Education Exit Code for Non-Special Education</i> to EOY 3
1862	Add New CVR for <i>Missing Student Instructional Support Indicator</i> to EOY 3
1083	Add CERT004 - <i>Ethnicity/Race Data Missing</i> to EOY 4

## Reporting Adjustments for 2019–2020 Due to COVID-19

### Identifying Career Technical Education Completers

Career technical education (CTE) completers collected in CALPADS for purposes of the Carl Perkins Program as well as for the California School Dashboard have traditionally been defined as students completing a CTE pathway that is a minimum of 300 hours and passing the capstone course with a C- or better. For purposes of the California Perkins V State Plan, a Perkins V “concentrator” is defined as a student meeting the criteria of a CTE completer as noted above; however, a concentrator course (as referenced below) is the course required prior to a student taking the capstone course within an industry pathway.

Due to the COVID-19 crisis, many students enrolled in the capstone course in the 2019 –2020 academic year will be completing the course via distance learning and may not be issued letter grades, but rather a mark of Pass/Fail or Credit/No Credit. Therefore, for the 2019–2020 academic year only, LEAs should use the following guidance in identifying CTE completers for reporting on the Student Career Technical Education (SCTE) file certified as part of the EOY 1 submission:

A student may be reported as a CTE completer in an industry pathway if the student:

May 15, 2020

Page 6 of 6

- Previously completed all prerequisite introductory and concentrator courses within a pathway.
- Took the capstone course in the 2019–2020 academic year and received a passing mark and credit for the course.

## **Submitting Chronic Absenteeism Summary Data**

As referenced in Flashes #173 and #175, LEAs are not required to take attendance after the February 29, 2020 cut-off for average daily attendance apportionment (P2) or the date of their emergency school closures. For the 2019–20 year only, when submitting the Student Absenteeism Summary (STAS) file, LEAs should:

- Adjust expected attendance days in Field 13.15 - *Expected Attendance Days* to align with the date that the LEA elected to use (February 29 or the date of emergency school closure).
- Populate Field 13.13 - *Student Absence Summary Data Collection Exemption Indicator* with "Y" for any student who enrolled after February 29, 2020 or the emergency school closure date, whichever the LEA elected to use. Since LEAs must submit STAS records for every student who was primarily enrolled in the LEA from July 1, 2019 through June 30, 2020, a fatal error will trigger for enrolled students who do not have a STAS record, unless the exemption indicator is populated.
