

California Association of Health and Education Linked Professions
Joint Powers Authority (CAHELP JPA)
DESERT/MOUNTAIN CHARTER SELPA STEERING and FINANCE COMMITTEE MEETING
October 20, 2022 – 1:00 p.m.
Desert Mountain Educational Service Center, 17800 Highway 18, Apple Valley CA 92307

AGENDA

NOTICE: This meeting will be held as a hybrid committee meeting with some committee members participating in person and others participating via Web Ex. If members of the public wish to participate in the meeting and/or make public comment, please follow the instructions below to participate telephonically:

PARTICIPATE BY PHONE:

Dial Access Number: 1-415-655-0003

When prompted - enter Meeting Number: 2459 068 3560

Follow directions as a Participant; an Attendee I.D. is not required to participate.

If you wish to make a public comment at this meeting, prior to the meeting please submit a request to address the Charter Steering and Finance Committee to the recording secretary via fax at 1-760-242-5363 or email jamie.adkins@cahelp.org. Please include your name, contact information and which item you want to address.

1.0 CALL TO ORDER

2.0 ROLL CALL

3.0 PUBLIC PARTICIPATION

The public is encouraged to participate in the deliberation of the Desert/Mountain Charter SELPA Steering Committee. Several opportunities are available during the meeting for the Council to receive oral communication regarding the presentations of any items listed on the agenda. Please ask for recognition either before a presentation or after the presentation has been completed. Please complete and submit a “Registration Card to Address the Desert/Mountain Charter SELPA Steering Committee” to the Recording Secretary and adhere to the provisions described therein.

4.0 ADOPTION OF THE AGENDA

4.1 **BE IT RESOLVED** that the October 20, 2022 Desert/Mountain Charter SELPA Steering and Finance Committee Meeting Agenda be approved as presented.

5.0 INFORMATION/ACTION

5.1 Assembly Bill 361 Exemptions to Brown Act Virtual Meeting Requirements

Assembly Bill (AB) 361 requires local agencies to consider the circumstances of the state of emergency and make the following findings by a majority vote: 1) the state of emergency continues to directly impact the ability of the members to meet safely in person; or 2) state or local officials continue to impose or recommend measures to promote social distancing.

5.1.1 **BE IT RESOLVED** that the Assembly Bill 361 Exemptions to Brown Act Virtual Meeting Requirements be approved as presented.

California Association of Health and Education Linked Professions
Joint Powers Authority (CAHELP JPA)
DESERT/MOUNTAIN CHARTER SELPA STEERING and FINANCE COMMITTEE MEETING
October 20, 2022 – 1:00 p.m.
Desert Mountain Educational Service Center, 17800 Highway 18, Apple Valley CA 92307

AGENDA

6.0 CONSENT ITEMS

It is recommended that the Charter Steering Committee consider approving several Agenda items as a Consent list. Consent Items are routine in nature and can be enacted in one motion without further discussion. Consent items may be called up by any Committee Member at the meeting for clarification, discussion, or change.

6.1 **BE IT RESOLVED** that the following Consent Items be approved as presented:

6.1.1 Approve the September 22, 2022 Desert/Mountain Charter SELPA Steering and Finance Committee Meeting Minutes.

7.0 CHIEF EXECUTIVE OFFICER AND STAFF REPORTS

7.1 Legislative Updates from State SELPA Administrators Meeting

Pam Bender will provide legislative updates from State SELPA Administrators Meeting.

7.2 Transition to Special Education Information System (SEIS)

Pam Bender will provide an update on the transition to Special Education Information System (SEIS) from CAHELP JPA Governance Council.

7.3 Bridge to Added Authorizations

Pam Bender will present information regarding the bridge to added authorizations.

7.4 Alternative Diploma

Pam Bender will provide information on the alternative diploma.

7.5 Desert/Mountain Children’s Center Client Services Reports and Update

Linda Llamas will present the Desert/Mountain Children’s Center Client Services monthly reports and updates.

7.6 Desert/Mountain Children’s Center Mental Health Research Report

Linda Llamas will share the Desert/Mountain Children’s Center Mental Health Research Report.

7.7 Professional Learning Summary and Update

Heidi Chavez will present the D/M Charter SELPA’s Professional Learning Summary.

AGENDA

7.8 Resolution Support Services Summary and Update

Kathleen Peters will present the D/M Charter SELPA's Resolution Support Services Summary and update.

7.9 Case Law Review

Kathleen Peters will provide case law review.

7.10 Career Technical Education (CTE) Update

Adrienne Shepherd-Myles will provide a Career Technical Education (CTE) update.

7.11 Compliance Update

Peggy Dunn will present an update on compliance items from the California Department of Education (CDE).

8.0 FINANCE COMMITTEE REPORTS

9.0 INFORMATION ITEMS

9.1 Monthly Occupational & Physical Therapy Services Reports

9.2 Upcoming Professional Learning Opportunities

10.0 STEERING COMMITTEE MEMBERS COMMENTS / REPORTS

11.0 CEO COMMENTS

12.0 MATTERS BROUGHT BY THE PUBLIC

This is the time during the agenda when the Desert/Mountain Charter SELPA Steering Committee is again prepared to receive the comments of the public regarding items on this agenda or any school related special education issue. Speakers are requested to give their name and limit their remarks to five minutes.

Persons wishing to make complaints against Desert/Mountain Charter SELPA Steering Committee personnel must have filed an appropriate complaint form prior to the meeting.

When the Desert/Mountain Charter SELPA Steering Committee goes into Closed Session, there will be

California Association of Health and Education Linked Professions

Joint Powers Authority (CAHELP JPA)

DESERT/MOUNTAIN CHARTER SELPA STEERING and FINANCE COMMITTEE MEETING

October 20, 2022 – 1:00 p.m.

Desert Mountain Educational Service Center, 17800 Highway 18, Apple Valley CA 92307

AGENDA

no further opportunity for general public to address the Council on items under consideration.

13.0 ADJOURNMENT

The next regular meeting of the Desert/Mountain Charter SELPA Steering Committee will be held on Thursday, October 20, 2022, at 1:00 p.m., at the Desert Mountain Educational Service Center, Aster/Cactus Room, 17800 Highway 18, Apple Valley, CA 92307.

Individuals requiring special accommodations for disabilities are requested to contact Jamie Adkins at (760) 955-3555, at least seven days prior to the date of this meeting.

AB-361 Open meetings: state and local agencies: teleconferences. (2021-2022)

SHARE THIS:

Date Published: 09/17/2021 09:00 PM

Assembly Bill No. 361

CHAPTER 165

An act to add and repeal Section 89305.6 of the Education Code, and to amend, repeal, and add Section 54953 of, and to add and repeal Section 11133 of, the Government Code, relating to open meetings, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 16, 2021. Filed with Secretary of State September 16, 2021.]

LEGISLATIVE COUNSEL'S DIGEST

AB 361, Robert Rivas. Open meetings: state and local agencies: teleconferences.

(1) Existing law, the Ralph M. Brown Act requires, with specified exceptions, that all meetings of a legislative body of a local agency, as those terms are defined, be open and public and that all persons be permitted to attend and participate. The act contains specified provisions regarding the timelines for posting an agenda and providing for the ability of the public to directly address the legislative body on any item of interest to the public. The act generally requires all regular and special meetings of the legislative body be held within the boundaries of the territory over which the local agency exercises jurisdiction, subject to certain exceptions. The act allows for meetings to occur via teleconferencing subject to certain requirements, particularly that the legislative body notice each teleconference location of each member that will be participating in the public meeting, that each teleconference location be accessible to the public, that members of the public be allowed to address the legislative body at each teleconference location, that the legislative body post an agenda at each teleconference location, and that at least a quorum of the legislative body participate from locations within the boundaries of the local agency's jurisdiction. The act provides an exemption to the jurisdictional requirement for health authorities, as defined. The act authorizes the district attorney or any interested person, subject to certain provisions, to commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that specified actions taken by a legislative body are null and void.

Existing law, the California Emergency Services Act, authorizes the Governor, or the Director of Emergency Services when the governor is inaccessible, to proclaim a state of emergency under specified circumstances.

Executive Order No. N-29-20 suspends the Ralph M. Brown Act's requirements for teleconferencing during the COVID-19 pandemic provided that notice and accessibility requirements are met, the public members are allowed to observe and address the legislative body at the meeting, and that a legislative body of a local agency has a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, as specified.

This bill, until January 1, 2024, would authorize a local agency to use teleconferencing without complying with the teleconferencing requirements imposed by the Ralph M. Brown Act when a legislative body of a local agency holds a meeting during a declared state of emergency, as that term is defined, when state or local health officials have imposed or recommended measures to promote social distancing, during a proclaimed state of emergency held

for the purpose of determining, by majority vote, whether meeting in person would present imminent risks to the health or safety of attendees, and during a proclaimed state of emergency when the legislative body has determined that meeting in person would present imminent risks to the health or safety of attendees, as provided.

This bill would require legislative bodies that hold teleconferenced meetings under these abbreviated teleconferencing procedures to give notice of the meeting and post agendas, as described, to allow members of the public to access the meeting and address the legislative body, to give notice of the means by which members of the public may access the meeting and offer public comment, including an opportunity for all persons to attend via a call-in option or an internet-based service option, and to conduct the meeting in a manner that protects the statutory and constitutional rights of the parties and the public appearing before the legislative body. The bill would require the legislative body to take no further action on agenda items when there is a disruption which prevents the public agency from broadcasting the meeting, or in the event of a disruption within the local agency's control which prevents members of the public from offering public comments, until public access is restored. The bill would specify that actions taken during the disruption are subject to challenge proceedings, as specified.

This bill would prohibit the legislative body from requiring public comments to be submitted in advance of the meeting and would specify that the legislative body must provide an opportunity for the public to address the legislative body and offer comment in real time. The bill would prohibit the legislative body from closing the public comment period and the opportunity to register to provide public comment, until the public comment period has elapsed or until a reasonable amount of time has elapsed, as specified. When there is a continuing state of emergency, or when state or local officials have imposed or recommended measures to promote social distancing, the bill would require a legislative body to make specified findings not later than 30 days after the first teleconferenced meeting pursuant to these provisions, and to make those findings every 30 days thereafter, in order to continue to meet under these abbreviated teleconferencing procedures.

Existing law prohibits a legislative body from requiring, as a condition to attend a meeting, a person to register the person's name, or to provide other information, or to fulfill any condition precedent to the person's attendance.

This bill would exclude from that prohibition, a registration requirement imposed by a third-party internet website or other online platform not under the control of the legislative body.

(2) Existing law, the Bagley-Keene Open Meeting Act, requires, with specified exceptions, that all meetings of a state body be open and public and all persons be permitted to attend any meeting of a state body. The act requires at least one member of the state body to be physically present at the location specified in the notice of the meeting.

The Governor's Executive Order No. N-29-20 suspends the requirements of the Bagley-Keene Open Meeting Act for teleconferencing during the COVID-19 pandemic, provided that notice and accessibility requirements are met, the public members are allowed to observe and address the state body at the meeting, and that a state body has a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, as specified.

This bill, until January 31, 2022, would authorize, subject to specified notice and accessibility requirements, a state body to hold public meetings through teleconferencing and to make public meetings accessible telephonically, or otherwise electronically, to all members of the public seeking to observe and to address the state body. With respect to a state body holding a public meeting pursuant to these provisions, the bill would suspend certain requirements of existing law, including the requirements that each teleconference location be accessible to the public and that members of the public be able to address the state body at each teleconference location. Under the bill, a state body that holds a meeting through teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically would satisfy any requirement that the state body allow members of the public to attend the meeting and offer public comment. The bill would require that each state body that holds a meeting through teleconferencing provide notice of the meeting, and post the agenda, as provided. The bill would urge state bodies utilizing these teleconferencing procedures in the bill to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to existing law, as provided.

(3) Existing law establishes the various campuses of the California State University under the administration of the Trustees of the California State University, and authorizes the establishment of student body organizations in connection with the operations of California State University campuses.

The Gloria Romero Open Meetings Act of 2000 generally requires a legislative body, as defined, of a student body organization to conduct its business in a meeting that is open and public. The act authorizes the legislative body to use teleconferencing, as defined, for the benefit of the public and the legislative body in connection with any meeting or proceeding authorized by law.

This bill, until January 31, 2022, would authorize, subject to specified notice and accessibility requirements, a legislative body, as defined for purposes of the act, to hold public meetings through teleconferencing and to make public meetings accessible telephonically, or otherwise electronically, to all members of the public seeking to observe and to address the legislative body. With respect to a legislative body holding a public meeting pursuant to these provisions, the bill would suspend certain requirements of existing law, including the requirements that each teleconference location be accessible to the public and that members of the public be able to address the legislative body at each teleconference location. Under the bill, a legislative body that holds a meeting through teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically would satisfy any requirement that the legislative body allow members of the public to attend the meeting and offer public comment. The bill would require that each legislative body that holds a meeting through teleconferencing provide notice of the meeting, and post the agenda, as provided. The bill would urge legislative bodies utilizing these teleconferencing procedures in the bill to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to existing law, as provided.

(4) This bill would declare the Legislature's intent, consistent with the Governor's Executive Order No. N-29-20, to improve and enhance public access to state and local agency meetings during the COVID-19 pandemic and future emergencies by allowing broader access through teleconferencing options.

(5) This bill would incorporate additional changes to Section 54953 of the Government Code proposed by AB 339 to be operative only if this bill and AB 339 are enacted and this bill is enacted last.

(6) The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose.

This bill would make legislative findings to that effect.

(7) Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.

This bill would make legislative findings to that effect.

(8) This bill would declare that it is to take effect immediately as an urgency statute.

Vote: 2/3 Appropriation: no Fiscal Committee: yes Local Program: no

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 89305.6 is added to the Education Code, to read:

89305.6. (a) Notwithstanding any other provision of this article, and subject to the notice and accessibility requirements in subdivisions (d) and (e), a legislative body may hold public meetings through teleconferencing and make public meetings accessible telephonically, or otherwise electronically, to all members of the public seeking to observe and to address the legislative body.

(b) (1) For a legislative body holding a public meeting through teleconferencing pursuant to this section, all requirements in this article requiring the physical presence of members, the clerk or other personnel of the legislative body, or the public, as a condition of participation in or quorum for a public meeting, are hereby suspended.

(2) For a legislative body holding a public meeting through teleconferencing pursuant to this section, all of the following requirements in this article are suspended:

(A) Each teleconference location from which a member will be participating in a public meeting or proceeding be identified in the notice and agenda of the public meeting or proceeding.

(B) Each teleconference location be accessible to the public.

(C) Members of the public may address the legislative body at each teleconference conference location.

(D) Post agendas at all teleconference locations.

(E) At least one member of the legislative body be physically present at the location specified in the notice of the meeting.

(c) A legislative body that holds a meeting through teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically, consistent with the notice and accessibility requirements in subdivisions (d) and (e), shall have satisfied any requirement that the legislative body allow members of the public to attend the meeting and offer public comment. A legislative body need not make available any physical location from which members of the public may observe the meeting and offer public comment.

(d) If a legislative body holds a meeting through teleconferencing pursuant to this section and allows members of the public to observe and address the meeting telephonically or otherwise electronically, the legislative body shall also do both of the following:

(1) Implement a procedure for receiving and swiftly resolving requests for reasonable modification or accommodation from individuals with disabilities, consistent with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.), and resolving any doubt whatsoever in favor of accessibility.

(2) Advertise that procedure each time notice is given of the means by which members of the public may observe the meeting and offer public comment, pursuant to paragraph (2) of subdivision (e).

(e) Except to the extent this section provides otherwise, each legislative body that holds a meeting through teleconferencing pursuant to this section shall do both of the following:

(1) Give advance notice of the time of, and post the agenda for, each public meeting according to the timeframes otherwise prescribed by this article, and using the means otherwise prescribed by this article, as applicable.

(2) In each instance in which notice of the time of the meeting is otherwise given or the agenda for the meeting is otherwise posted, also give notice of the means by which members of the public may observe the meeting and offer public comment. As to any instance in which there is a change in the means of public observation and comment, or any instance prior to the effective date of this section in which the time of the meeting has been noticed or the agenda for the meeting has been posted without also including notice of the means of public observation and comment, a legislative body may satisfy this requirement by advertising the means of public observation and comment using the most rapid means of communication available at the time. Advertising the means of public observation and comment using the most rapid means of communication available at the time shall include, but need not be limited to, posting such means on the legislative body's internet website.

(f) All legislative bodies utilizing the teleconferencing procedures in this section are urged to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to the otherwise applicable provisions of this article, in order to maximize transparency and provide the public access to legislative body meetings.

(g) This section shall remain in effect only until January 31, 2022, and as of that date is repealed.

SEC. 2. Section 11133 is added to the Government Code, to read:

11133. (a) Notwithstanding any other provision of this article, and subject to the notice and accessibility requirements in subdivisions (d) and (e), a state body may hold public meetings through teleconferencing and make public meetings accessible telephonically, or otherwise electronically, to all members of the public seeking to observe and to address the state body.

(b) (1) For a state body holding a public meeting through teleconferencing pursuant to this section, all requirements in this article requiring the physical presence of members, the clerk or other personnel of the state body, or the public, as a condition of participation in or quorum for a public meeting, are hereby suspended.

(2) For a state body holding a public meeting through teleconferencing pursuant to this section, all of the following requirements in this article are suspended:

(A) Each teleconference location from which a member will be participating in a public meeting or proceeding be identified in the notice and agenda of the public meeting or proceeding.

(B) Each teleconference location be accessible to the public.

(C) Members of the public may address the state body at each teleconference conference location.

(D) Post agendas at all teleconference locations.

(E) At least one member of the state body be physically present at the location specified in the notice of the meeting.

(c) A state body that holds a meeting through teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically, consistent with the notice and accessibility requirements in subdivisions (d) and (e), shall have satisfied any requirement that the state body allow members of the public to attend the meeting and offer public comment. A state body need not make available any physical location from which members of the public may observe the meeting and offer public comment.

(d) If a state body holds a meeting through teleconferencing pursuant to this section and allows members of the public to observe and address the meeting telephonically or otherwise electronically, the state body shall also do both of the following:

(1) Implement a procedure for receiving and swiftly resolving requests for reasonable modification or accommodation from individuals with disabilities, consistent with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.), and resolving any doubt whatsoever in favor of accessibility.

(2) Advertise that procedure each time notice is given of the means by which members of the public may observe the meeting and offer public comment, pursuant to paragraph (2) of subdivision (e).

(e) Except to the extent this section provides otherwise, each state body that holds a meeting through teleconferencing pursuant to this section shall do both of the following:

(1) Give advance notice of the time of, and post the agenda for, each public meeting according to the timeframes otherwise prescribed by this article, and using the means otherwise prescribed by this article, as applicable.

(2) In each instance in which notice of the time of the meeting is otherwise given or the agenda for the meeting is otherwise posted, also give notice of the means by which members of the public may observe the meeting and offer public comment. As to any instance in which there is a change in the means of public observation and comment, or any instance prior to the effective date of this section in which the time of the meeting has been noticed or the agenda for the meeting has been posted without also including notice of the means of public observation and comment, a state body may satisfy this requirement by advertising the means of public observation and comment using the most rapid means of communication available at the time. Advertising the means of public observation and comment using the most rapid means of communication available at the time shall include, but need not be limited to, posting such means on the state body's internet website.

(f) All state bodies utilizing the teleconferencing procedures in this section are urged to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to the otherwise applicable provisions of this article, in order to maximize transparency and provide the public access to state body meetings.

(g) This section shall remain in effect only until January 31, 2022, and as of that date is repealed.

SEC. 3. Section 54953 of the Government Code is amended to read:

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each

teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivisions (d) and (e). The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, "teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public's right under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) (1) A local agency may use teleconferencing without complying with the requirements of paragraph (3) of subdivision (b) if the legislative body complies with the requirements of paragraph (2) of this subdivision in any of the following circumstances:

(A) The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.

(B) The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(C) The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(2) A legislative body that holds a meeting pursuant to this subdivision shall do all of the following:

(A) The legislative body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(B) The legislative body shall allow members of the public to access the meeting and the agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3. In each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the

meeting is otherwise posted, the legislative body shall also give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option. This subparagraph shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(C) The legislative body shall conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties and the public appearing before the legislative body of a local agency.

(D) In the event of a disruption which prevents the public agency from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the local agency's control which prevents members of the public from offering public comments using the call-in option or internet-based service option, the body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption which prevents the public agency from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(E) The legislative body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for the public to address the legislative body and offer comment in real time. This subparagraph shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(F) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the local legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(G) (i) A legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (F), to provide public comment until that timed public comment period has elapsed.

(ii) A legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (F), or otherwise be recognized for the purpose of providing public comment.

(iii) A legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (F), until the timed general public comment period has elapsed.

(3) If a state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, in order to continue to teleconference without compliance with paragraph (3) of subdivision (b), the legislative body shall, not later than 30 days after teleconferencing for the first time pursuant to subparagraph (A), (B), or (C) of paragraph (1), and every 30 days thereafter, make the following findings by majority vote:

(A) The legislative body has reconsidered the circumstances of the state of emergency.

(B) Any of the following circumstances exist:

(i) The state of emergency continues to directly impact the ability of the members to meet safely in person.

(ii) State or local officials continue to impose or recommend measures to promote social distancing.

(4) For the purposes of this subdivision, "state of emergency" means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act (Article 1 (commencing with Section 8550) of Chapter 7 of Division 1 of Title 2).

(f) This section shall remain in effect only until January 1, 2024, and as of that date is repealed.

SEC. 3.1. Section 54953 of the Government Code is amended to read:

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency in person, except as otherwise provided in this chapter. Local agencies shall conduct meetings subject to this chapter consistent with applicable state and

federal civil rights laws, including, but not limited to, any applicable language access and other nondiscrimination obligations.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivisions (d) and (e). The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, "teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public's right under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) (1) A local agency may use teleconferencing without complying with the requirements of paragraph (3) of subdivision (b) if the legislative body complies with the requirements of paragraph (2) of this subdivision in any of the following circumstances:

(A) The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have

imposed or recommended measures to promote social distancing.

(B) The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(C) The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(2) A legislative body that holds a meeting pursuant to this subdivision shall do all of the following:

(A) The legislative body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(B) The legislative body shall allow members of the public to access the meeting and the agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3. In each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option. This subparagraph shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(C) The legislative body shall conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties and the public appearing before the legislative body of a local agency.

(D) In the event of a disruption which prevents the public agency from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the local agency's control which prevents members of the public from offering public comments using the call-in option or internet-based service option, the body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption which prevents the public agency from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(E) The legislative body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for the public to address the legislative body and offer comment in real time. This subparagraph shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(F) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the local legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(G) (i) A legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (F), to provide public comment until that timed public comment period has elapsed.

(ii) A legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (F), or otherwise be recognized for the purpose of providing public comment.

(iii) A legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (F), until the timed general public comment period has elapsed.

(3) If a state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, in order to continue to teleconference without compliance with paragraph (3) of subdivision (b), the legislative body shall, not later than 30 days after teleconferencing for the first time pursuant to subparagraph (A), (B), or (C) of paragraph (1), and every 30 days thereafter, make the following findings by majority vote:

(A) The legislative body has reconsidered the circumstances of the state of emergency.

(B) Any of the following circumstances exist:

(i) The state of emergency continues to directly impact the ability of the members to meet safely in person.

(ii) State or local officials continue to impose or recommend measures to promote social distancing.

(4) For the purposes of this subdivision, "state of emergency" means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act (Article 1 (commencing with Section 8550) of Chapter 7 of Division 1 of Title 2).

(f) This section shall remain in effect only until January 1, 2024, and as of that date is repealed.

SEC. 4. Section 54953 is added to the Government Code, to read:

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivision (d). The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, "teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public's right under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations

within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) This section shall become operative January 1, 2024.

SEC. 4.1. Section 54953 is added to the Government Code, to read:

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, in person except as otherwise provided in this chapter. Local agencies shall conduct meetings subject to this chapter consistent with applicable state and federal civil rights laws, including, but not limited to, any applicable language access and other nondiscrimination obligations.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivision (d). The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, "teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public's right under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) This section shall become operative January 1, 2024.

SEC. 5. Sections 3.1 and 4.1 of this bill incorporate amendments to Section 54953 of the Government Code proposed by both this bill and Assembly Bill 339. Those sections of this bill shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2022, but this bill becomes operative first, (2) each bill amends Section 54953 of the Government Code, and (3) this bill is enacted after Assembly Bill 339, in which case Section 54953 of the Government Code, as amended by Sections 3 and 4 of this bill, shall remain operative only until the operative date of Assembly Bill 339, at which time Sections 3.1 and 4.1 of this bill shall become operative.

SEC. 6. It is the intent of the Legislature in enacting this act to improve and enhance public access to state and local agency meetings during the COVID-19 pandemic and future applicable emergencies, by allowing broader access through teleconferencing options consistent with the Governor's Executive Order No. N-29-20 dated March 17, 2020, permitting expanded use of teleconferencing during the COVID-19 pandemic.

SEC. 7. The Legislature finds and declares that Sections 3 and 4 of this act, which amend, repeal, and add Section 54953 of the Government Code, further, within the meaning of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the purposes of that constitutional section as it relates to the right of public access to the meetings of local public bodies or the writings of local public officials and local agencies. Pursuant to paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the Legislature makes the following findings:

This act is necessary to ensure minimum standards for public participation and notice requirements allowing for greater public participation in teleconference meetings during applicable emergencies.

SEC. 8. (a) The Legislature finds and declares that during the COVID-19 public health emergency, certain requirements of the Bagley-Keene Open Meeting Act (Article 9 (commencing with Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2 of the Government Code) were suspended by Executive Order N-29-20. Audio and video teleconference were widely used to conduct public meetings in lieu of physical location meetings, and public meetings conducted by teleconference during the COVID-19 public health emergency have been productive, have increased public participation by all members of the public regardless of their location in the state and ability to travel to physical meeting locations, have protected the health and safety of civil servants and the public, and have reduced travel costs incurred by members of state bodies and reduced work hours spent traveling to and from meetings.

(b) The Legislature finds and declares that Section 1 of this act, which adds and repeals Section 89305.6 of the Education Code, Section 2 of this act, which adds and repeals Section 11133 of the Government Code, and Sections 3 and 4 of this act, which amend, repeal, and add Section 54953 of the Government Code, all increase and potentially limit the public's right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of Section 3 of Article I of the California Constitution. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest:

(1) By removing the requirement that public meetings be conducted at a primary physical location with a quorum of members present, this act protects the health and safety of civil servants and the public and does not preference the experience of members of the public who might be able to attend a meeting in a physical location over members of the public who cannot travel or attend that meeting in a physical location.

(2) By removing the requirement for agendas to be placed at the location of each public official participating in a public meeting remotely, including from the member's private home or hotel room, this act protects the personal, private information of public officials and their families while preserving the public's right to access information

concerning the conduct of the people's business.

SEC. 9. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the California Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to ensure that state and local agencies can continue holding public meetings while providing essential services like water, power, and fire protection to their constituents during public health, wildfire, or other states of emergencies, it is necessary that this act take effect immediately.

DESERT/MOUNTAIN CHARTER SELPA STEERING and FINANCE COMMITTEE MEETING

September 22, 2022 – 1:00 p.m.

Desert Mountain Educational Service Center, 17800 Highway 18, Apple Valley CA 92307

MINUTES

D/M CHARTER SELPA MEMBERS PRESENT:

Allegiance STEAM Academy – Sebastian Cогnetta, Callie Moreno, ASA Charter Schools – Tony Lucey, Aveson Global Academy/Aveson School of Leaders – Kelly Jung, Ballington Academy – Doreen Mulz, Desert Trails Preparatory Academy/Laverne Elementary Preparatory Academy – Honey Kaylor, Chantal Mendoza, Debbie Tarver, Elite Academic Academy – Susana Waisman, Adam Woodard, Encore Jr/Sr High – Bernice Swingle, Leonardo da Vinci Health Sciences – Courtney Cox, Odyssey Charter – Chasityflame Price, Pasadena Rosebud Academy – Sonia Anand, Shawn Brown-Brumfield, Pathways to College – James Connell, Taylion High Desert – Brenda Congo, and Virtual Prep-Lucerne – Malia Lovell.

CAHELP, SELPA, & DMCC STAFF PRESENT:

Jamie Adkins, Codi Andersen, Pam Bender, Guille Burgos, Heidi Chavez, Craig Cleveland, Peggy Dunn, Adrien Faamausili, Marina Gallegos, Colette Garland, Derek Hale, Maurica Manibusan, Yazmin Medina, Angela Mgbeke, Lisa Nash, Vianca Padilla, Sheila Parisian, Ana Perez, Linda Rodriguez, Veronica Rousseau, Adrienne Shepherd-Myles, Jessica Soto, and Jennifer Sutton.

GUESTS:

Celeste Cardenas, and Erica Lee.

1.0 CALL TO ORDER

The regular meeting of the California Association of Health and Education Linked Professions Joint Powers Authority (CAHELP JPA) Desert/Mountain Charter SELPA Steering and Finance Committee Meeting was called to order by Chairperson Pam Bender, at 1:08 p.m., at the Desert/Mountain Educational Service Center, Apple Valley.

2.0 ROLL CALL

3.0 PUBLIC PARTICIPATION

None.

4.0 ADOPTION OF THE AGENDA

4.1 **BE IT RESOLVED** that a motion was made by Tony Lucey, seconded by Callie Moreno, to approve the September 22, 2022 Desert/Mountain Charter SELPA Steering and Finance Committee Meeting Agenda as presented. The motion carried on the following vote 13:0: Ayes: Brown-Brumfield, Congo, Connell, Cox, Jung, Lovell, Lucey, Moreno, Mulz, Price, Swingle, Tarver, and Waisman. Nays: None, Abstentions: None.

5.0 INFORMATION/ACTION

5.1 Assembly Bill 361 Exemptions to Brown Act Virtual Meeting Requirements

California Association of Health and Education Linked Professions
Joint Powers Authority (CAHELP JPA)
DESERT/MOUNTAIN CHARTER SELPA STEERING and FINANCE COMMITTEE MEETING
September 22, 2022 – 1:00 p.m.
Desert Mountain Educational Service Center, 17800 Highway 18, Apple Valley CA 92307

MINUTES

Assembly Bill (AB) 361 requires local agencies to consider the circumstances of the state of emergency and make the following findings by a majority vote: 1) the state of emergency continues to directly impact the ability of the members to meet safely in person; or 2) state or local officials continue to impose or recommend measures to promote social distancing.

5.1.1 **BE IT RESOLVED** that a motion was made by Debbie Tarver, seconded by Tony Lucey, to approve Assembly Bill 361 Exemptions to Brown Act Virtual Meeting Requirements as presented. The motion carried on the following vote 13:0: Ayes: Brown-Brumfield, Congo, Connell, Cox, Jung, Lovell, Lucey, Moreno, Mulz, Price, Swingle, Tarver, and Waisman. Nays: None, Abstentions: None.

5.2 Form D/M 85 SBCSS Desert/Mountain Operations Referral (**ACTION**)

Forms used in the operations of special education programs within the Desert/Mountain Charter SELPA are developed, reviewed and revised throughout the year upon the recommendation of the Program Team. Forms are modified as necessary in order to support the operations of special education programs in an efficient, effective and legally compliant manner. Suggested revisions to SELPA Forms are submitted to the D/M Charter SELPA Steering Committee for consideration and approval.

5.2.1 **BE IT RESOLVED** that a motion was made by Debbie Tarver, seconded by Brenda Congo, to approve the Form D/M 85 SBCSS Desert/Mountain Operations Referral as presented. The motion carried on the following vote 13:0: Ayes: Brown-Brumfield, Congo, Connell, Cox, Jung, Lovell, Lucey, Moreno, Mulz, Price, Swingle, Tarver, and Waisman. Nays: None, Abstentions: None.

5.3 Form D/M 173 Referral to SBCSS Desert/Mountain Operations for Related Services Provider (**ACTION**)

Forms used in the operations of special education programs within the Desert/Mountain Charter SELPA are developed, reviewed and revised throughout the year upon the recommendation of the Program Team. Forms are modified as necessary in order to support the operations of special education programs in an efficient, effective and legally compliant manner. Suggested revisions to SELPA Forms are submitted to the D/M Charter SELPA Steering Committee for consideration and approval.

5.3.1 **BE IT RESOLVED** that a motion was made by Shawn Brown-Brumfield, seconded by Tony Lucey, to approve retiring Form D/M 173 Referral to SBCSS Desert/Mountain Operations for Related Services Provider as presented. The motion carried on the following vote 13:0: Ayes: Brown-Brumfield, Congo, Connell, Cox, Jung, Lovell,

California Association of Health and Education Linked Professions
Joint Powers Authority (CAHELP JPA)

Lucey, Moreno, Mulz, Price, Swingle, Tarver, and Waisman. Nays: None,
Abstentions: None.

6.0 CONSENT ITEMS

It is recommended that the Charter Steering Committee consider approving several Agenda items as a Consent list. Consent Items are routine in nature and can be enacted in one motion without further discussion. Consent items may be called up by any Committee Member at the meeting for clarification, discussion, or change.

6.1 **BE IT RESOLVED** that a motion was made by Callie Moreno, seconded by Shawn Brown-Brumfield, to approve the following Consent Item as presented. The motion carried on the following vote 13:0: Ayes: Brown-Brumfield, Congo, Connell, Cox, Jung, Lovell, Lucey, Moreno, Mulz, Price, Swingle, Tarver, and Waisman. Nays: None, Abstentions: None.

6.1.1 Approve the August 25, 2022 Desert/Mountain Charter SELPA Steering and Finance Committee Meeting Minutes.

7.0 CHIEF EXECUTIVE OFFICER AND STAFF REPORTS

7.1 Legislative Updates from State SELPA Administrators Meeting

Pam Bender provided legislative updates from State SELPA Administrators Meeting by highlighting the following Bills:

Following:

- Senate Bill (SB) 1113 – Special Education: Inclusive Education: Universal Design for Learning – On the Governor’s Desk,
- Assembly Bill (AB) 2121 – School Accountability: California Collaborative for Educational Excellence: Special Education - Dead, did not meet the deadline,
- SB 291 – Advisory Commission on Special Education - On the way to the Governor’s Desk
- SB 866 – Minors: Vaccine Consent- Dead, did not meet the deadline,
- SB 1229 – Mental Health Workforce Grant Program - Dead, did not meet the deadline,
- SB 237 – Special Education: Dyslexia Risk Screening - Dead, did not meet the deadline.
It is likely to be brought back next year.

Other Bills to Note:

- AB 152 COVID-19 Relief: Supplemental Paid Sick Leave – On the Governor’s Desk,
- SB 692 – Special Education: Pupils with Disabilities: Least Restrictive Environment - On the Governor’s Desk,

MINUTES

- AB 181 - Education Finance: Education Omnibus Budget Trailer Bill – Signed by the Governor,
- AB 182 - COVID-19 Emergency Response: Learning Recovery Emergency Fund: Appropriation - Signed by the Governor,
- SB 1016 – Special Education – Eligibility of Fetal Alcohol Syndrome under OHI – Headed to the Governor’s Desk.

7.2 Small LEAs and Special Education Monitoring

Pam Bender provided information regarding small LEA monitoring. She reported the federal government wanted CDE to provide more monitoring to small schools that have less than 100 students with disabilities. A three-year cycle begins this year with 1/3 of the State’s small LEAs being selected for this year, another 1/3 in 2023-24, and the remaining 1/3 in 2024-25. Pam said ten CAHELP LEAs were selected for the current year and should have received a letter with details earlier in the week. She reported at least ten student files will be reviewed for educational benefit using the Stepwell system. Pam continued that up to 25 files of students with disabilities will also be reviewed. Peggy Dunn and the program specialists are aware of the LEAs that will be monitored this year and able to provide supports. Pam said the timeline for the reviews is December 5, 2022.

7.3 Assembly Bill 2449 Open Meetings: Local Agencies: Teleconferences (Brown Act)

Pam Bender provided information pertaining to Assembly Bill 2449 Open Meetings: Local Agencies: Teleconferences (Brown Act). Beginning January 1, 2023 meetings are to be held in-person. Pam said there are two provisions for a committee member to attend remotely if they cannot attend in-person: “emergency circumstance” or “just cause”. An emergency circumstance would be a physical or family medical emergency that prevents the member from attending in person. Pam reported the committee must take action to approve the request. Another requirement is that quorum must be present in-person. She continued that participants must have audio and visual presence so if a member of the public joins, they can see and hear all participants. Pam stated just cause is defined as childcare or caregiving need, contagious illness, physical or mental disability not otherwise accommodated by an existing process, or official agency business such as a conference or training. She explained there are limits to the number of times a committee member can participate virtually such as no more than three consecutive months, or 20% of meetings in a fiscal year. Pam reassured the participants that there will be more discussion closer to the implementation date.

7.4 Interim Placement Procedures

Pam Bender called on Sheila Parisian to present an updated draft of Interim Placement Procedures. Sheila shared the Interim Placement Procedure document stating it includes more detailed directives due to continued questions about the interim placement process. The document also

MINUTES

includes timelines for when students enter the LEAs. Sheila encouraged committee members to contact their assigned program specialist with any additional questions.

7.5 Desert/Mountain Children's Center Client Services Reports and Update

Guille Burgos presented the Desert/Mountain Children's Center Client Services monthly reports and updates. She requested to be contacted with any questions regarding the reports or with changes.

7.6 Desert/Mountain Children's Center Mental Health Research Report

Guille Burgos shared the Desert/Mountain Children's Center Mental Health Research Report. She said research is reflecting that the COVID-19 pandemic has taken a clear and significant toll on student's mental health. She also stated in the work of the DMCC, they are seeing an increase in suicidal ideation and depression in students they work with. Guille reminded the committee members that DMCC is available to help and to receive referrals for students.

7.7 Professional Learning Summary and Update

Heidi Chavez presented the D/M Charter SELPA's Professional Learning Summary. Heidi reported that in 2021-22, there were a total of 326 participants in professional development. In the first two month of 2022-23, there have been 271 participants which shows an amazing effort on the part of the LEAs to have their staff involved. Heidi asked to be contacted for brainstorming on ways she can help provide professional learning opportunities to the teams.

Heidi reported Community Advisory Committee (CAC) is scheduled for 5:00pm on September 22, 2022 and will be offered in-person and remotely.

She added the Directors' Training scheduled for October 21, 2022 will be hybrid. Heidi said the presenter will be remote but committee members are encouraged to participate in-person as there will be topical conversation.

Heidi concluded by stating the IMTSS Symposium is scheduled for March 8, 2023 as a full day in-person event. The topic will be about LGBTQ+ student mental health.

7.8 Resolution Support Services Summary and Update

Lisa Nash presented the D/M Charter SELPA's Resolution Support Services Summary. Lisa reported there have been two filings this school year with one LEA also initiating a cross filing to implement the IEP and the other case is settling with signatures pending on the final agreement.

MINUTES

7.9 Case Law Review

Sheila Parisian provided case law review citing a case in which a parent disagreed with a child's IEP. Sheila said when this occurs, it is important to ask the parent what they do agree with then have them sign the IEP with exception. This action will allow the supports the parent does agree with to be implemented and then use the alternative dispute resolution (ADR) process, facilitated IEPs, and other interventions to move forward. Sheila continued that in Office of Administrative Hearings (OAH) Case 2022040227, the parent provided a "consent with exceptions" letter that stated the parents has various questions, concerns, and requests regarding the student's program. When the parents filed with OAH they alleged the district failed to provide prior written notice in response to the consent with exceptions communication and denial of free appropriate public education (FAPE). The district did not believe they had to respond. Sheila reported though the district was not required to make the changes or agree with the parents, the district was required to provide prior written notice (PWN) to address the parents' concerns and requests. Sheila said the OAH judge the parents' opportunities were impeded to make evidence-based decisions. This finding required the district to pay for a private assessor's time to attend the IEP meeting.

Sheila reported that in response to many requests for Section 504 compliance training, there will be a virtual training by Atkinson, Andelson, Loya, Ruud & Romo (AALRR) on November 2, 2022, 9:00 a.m-10:30 am. She said registration is required with the link being provided in an email that was previously sent.

7.10 Compliance Update

Peggy Dunn presented an update on compliance items from the California Department of Education (CDE). She provided an update on overdue IEP and acknowledged Aveson Global, Aveson School of Leaders, Ballington Academy, LaVerne Prep, Leonardo da Vinci Health Sciences Charter, and Pathways to College for having no late IEPs.

Peggy provided the named the charter LEAs that were selected by CDE for the first round of Small LEA Monitoring: Allegiance STEAM Academy, Aveson Global, Ballington Academy, Pathways to College, and Pasadena Rosebud Academy.

Colette Garland reported CalPads End of Year 3 and 4 were certified by the deadline of Sunday, September 18, 2022 at 4:00pm. She continued that Web IEP performance has been extremely slow. To combat the issue, the D/M Charter SELPA LEAs will be moving to a different server. Colette stated an email providing the new link would be sent to the appropriate staff after the meeting. She confirmed the old link would no longer be effective after 4:00pm making it important to save all work so it is not lost in the transition.

Colette announced an in-person MIS meeting is scheduled on September 28, 2022. , 9:00 a.m-3:00 p.m with a remote attendance option.

MINUTES

7.11 Prevention and Intervention Update

Pamela Strigglers presented the Prevention and Intervention update. She reported the PBIS Recognition Event is scheduled for October 20, 2022, 5:00p.m-7:00p.m, with 29 schools recognized for their PBIS implementation. Pamela also highlighted a regional training on bullying prevention scheduled for October 27, 8:30am-12:00pm with trainer Angela Mgbeke.

7.12 Community Outreach Update

Jessica Soto provided the Community Outreach update and had her team introduce themselves. Jessica asked to be contacted with questions or needs for community outreach.

8.0 FINANCE COMMITTEE REPORTS

8.1 One-Time Learning Recovery Support and Dispute Prevention/Resolution Funding

Marina Gallegos presented updated information about one-time Learning Recovery Support and Dispute Prevention/Resolution Funding. She said less than 1% of Dispute Prevention/Resolution Funding has been claimed and 8% of One-Time Learning Recovery Support has been claimed. Marina reiterated the funds are a reimbursement for claims submitted. The purpose of the funding is to mitigate the impact of school disruptions due to COVID-19 during the period of March 13, 2020 through September 1, 2021 and can be claimed as prior year expenditures. Marina reviewed the process of claiming the funding. She said many LEAs have local contributions which are essentially encroachments from the general fund. If activities can be identified as activities covered by the plans can qualify. Marina encouraged the directors to work with fiscal staff to utilize the funds or the funds will be returned to CDE. She has emailed a file to fiscal staff regarding how to access the funding and shared it with the directors as well. Marina instructed the activities reports are to be submitted to Heidi Chavez or Kathleen Peters, depending on which funds are being used. She continued that in reviewing Maintenance of Effort for the LEAs, many have substantial local contribution to the special education fund which means the general fund is being used for special education expenses. There could be a way to access the one-time funding without effecting MOE if it has been included in the 2023 budget. Marina continued there is a workbook that has been emailed to the finance staff that includes the major components of claiming the reimbursements for the funds.

8.2 Projected Mental Health Funding

Marina Gallegos provided information regarding projected mental health funding. Marina said the figures are a very rough projection of how funding could be disbursed to LEAs as it has been proposed in legislature.

3

SB 1113 (Ochoa Bogh)

Amended: 8/23/2022

Title: Special Education: Inclusive Education: Universal Design for Learning

Status: Vetoed by the Governor

Position: Support

Summary:

This bill would have required the California Department of Education to work with the Commission on Teacher Credentialing (CTC) to develop guidance on staffing inclusive classrooms and to provide recommendations for changes necessary to eliminate barriers to staffing inclusive placements. The bill also would have required the CTC to train the members of the Instructional Quality Commission on the principles and strategies of universal design for learning, required the CTC to form a workgroup to propose more inclusive education standards for the administrative services teaching credential, and required administrator preparation programs to include inclusive education instruction.

The Governor's veto message states, in part:

"Serving students with disabilities in inclusive settings is an essential strategy for improving the academic achievement of these and all students, and one that my administration is committed to advancing. In fact, working with legislative partners we have provided \$32 million over the past few years to directly support educators in implementing inclusive practices through a number of systemic investments, including recent investments to expand the Supporting Inclusive Practices Project. Portions of this bill are either subject to an appropriation or are duplicative of other efforts, and therefore add unnecessary cost pressures to future budgets. However, the concept related to the administrative services credential has merit. I encourage the author to work with the Commission on Teacher Credentialing to consider incorporating Universal Design for Learning during its next comprehensive update of the administrative services credential."

SB 870 (Portantino)

Amended: 8/22/2022

Title: Developmental Services

Status: Vetoed by the Governor

Position:

Summary:

Existing law defines a "developmental disability" as a disability that originates before an individual attains 18 years of age, continues, or can be expected to continue, indefinitely, and constitutes a substantial disability for the individual. This bill would have modified that definition to mean a disability that originates before an individual attains 22 years of age.

The Governor's veto message states, in part:

"While I support the concept of extending the comprehensive services and supports available through the Lanterman Developmental Disabilities Services Act to individuals whose disabilities originated before age 22, such an expansion of eligibility would require regional center and provider staff to be trained, and additional community resources would need to be developed, to serve the expanded consumer population. The planning and preparation for this expansion cannot be completed by January 1, 2023. Furthermore, the proposed expansion would require tens of millions of General Fund dollars to implement and funds were not included in the budget for this purpose. With our state facing lower-than-expected revenues over the first few months of this fiscal year, it is important to remain disciplined when it comes to spending, particularly spending that is ongoing."

SB 291 (Stern)

Amended: 8/18/2022

Title: Advisory Commission on Special Education

Status: Signed by the Governor, Chapter 917, Statutes of 2022

Position: Support

Summary:

This bill increases membership on the Advisory Commission on Special Education (ACSE) from 17 members to 19 members. The two additional members will be appointed by the ACSE and must be students with disabilities between the ages of 16 to 22.

AB 1868 (Rivas, Luz)

Amended: 6/21/2022

Title: School Accountability: English Language Acquisition Status: Data

Status: Signed by the Governor, Chapter 907, Statutes of 2022

Position:

Summary:

This bill requires the California Department of Education to annually report on its website specified enrollment data by English language acquisition status and disability.

SB 692 (Cortese)

Amended: 8/4/2022

Title: Special Education: Pupils With Disabilities: Least Restrictive Environment

Status: Signed by the Governor, Chapter 919, Statutes of 2022

Position:

Summary:

This bill requires that the California Department of Education publish local educational agency data related to federal measures of least restrictive environment for pupils with disabilities on its website, and include it as a resource on the California School Dashboard by November 30, 2023.

SB 1016 (Portantino)

Amended: 8/18/2022

Title: Special Education: Eligibility: Fetal Alcohol Spectrum Disorder

Status: Signed by the Governor, Chapter 611, Statutes of 2022

Position: Watch

Summary:

This bill requires the State Board of Education to include "fetal alcohol spectrum disorder" under the definition of "other health impairment," entitling those children to special education and related services.

Re: Mental Health Research Information Article

As we settle into school routines and begin to see how our clients/students are faring three years into the COVID-19 pandemic I thought it wise to look at what some of the initial research on youth says about how they did during the pandemic and what this says about how we need to proceed with services.

Thus far the research produced during the pandemic focused on¹:

- The mental health consequences of the pandemic
 - This research showed an increase in
 - Eating disorders
 - Suicide risk
 - Family violence and maltreatment
- The impact of the pandemic on pre-existing psychiatric disorders
 - This research showed an increase in
 - Isolation for children with autism spectrum disorders
 - Substance use

One large conclusion from most of the research is that youth who came from vulnerable spaces before the pandemic became even more vulnerable over its course. Thus, those children and families who had high needs before the pandemic have even higher needs now. As we move forward, with service professionals and resources stretched thin, it behooves us to look at how we can leverage our current relationships and partnerships to ensure we are meeting the needs of all our clients/students, but especially our most vulnerable populations.

One way we can do that is to talk about the importance of taking care of our mental health openly and honestly, with no judgment. Arming yourself with the information and tools needed to ensure we are meeting youth where they are is important. A survey conducted by the Boys and Girls Club of America showed that youth have strong social-emotional awareness, but most do not feel equipped to cope with their challenges. In fact, most of the youth in this survey stated that when something went wrong in their lives, they couldn't stop worrying about it but did everything they could to stop people from finding out.² In another student survey, conducted by Youth Truth, many students described feeling ill prepared in their return to in-person learning and felt that the pace of the school day and homework expectations were overwhelming. They felt that their school culture had changed and their sense of belonging to a community had diminished.³ In both these surveys we are hearing directly from students what they need – caring adults who will listen and provide a safe space for them to talk about the emotional, mental, and social support they need. So how can we do this?

We can create an environment where clients/students feel safe and welcome. We can create places and spaces for students to receive the help they need. We can rely on each other and seek assistance when needed. We can create policies and procedures that will establish systems where the priority is ensuring that clients/students have the necessary supports to be successful. We can research programs and services that are having success and implement them in our own schools and districts.

One such possibility is the utilization of yoga and mindfulness programs (YMP) to help clients/students with social-emotional awareness and challenges. A review of the emerging evidence base regarding utilizing YMP with children, shows improvement in social-emotional outcomes for children of all ages. “Yoga and mindfulness provided through school-based programming may provide an important opportunity to address social-emotional needs of children and to provide coping skills for those who do not receive attention to their behavioral or mental health through other channels.”⁴ YMP show marked improvement with anxiety and depression specifically. Making such programs a part of a school-wide effort would help all students and not single out specific kids for intervention. There are existing curriculums out there to use, i.e., Yoga Ed.

In recognition of Latinx Heritage Month, I thought I would share with you some relatively good news I recently read about the resiliency and resourcefulness of Latinx children and their families. In “Latinx Families’ Strengths and Resilience Contribute to their Well-being,”⁵ a brief from the National Research Center on Hispanic Children & Families we learned some things that might be helpful as you work with Latinx families in your community. While we know that Latinx families and their children are more likely to face institutional and socio-structural inequities and social and economic stressors - think, discrimination, poverty, racism, residential segregation, and xenophobia – and that this jeopardizes their well-being. We also know that children who experience these challenging circumstances early in life are at greater risk for things such as:

- Behavior problems that can marginalize them
- Impeded social mobility
- Poor academic performance
- Socioeconomic disadvantages

The challenges Latinx families face have been studied and documented in much of the literature, what has not been studied or documented as much are the assets that many

Latinx families have that contribute to their well-being. The brief highlight those assets and they include:

- Strong social skills exhibited by children
 - Latinx children enter formal schooling with the ability to develop friendships and be liked and accepted by peers and teachers
 - Social skills are important for developing resilience
- Bilingualism
 - Promotes social and cognitive development
- Biculturalism
 - Promotes better parenting behaviors which are related to better outcomes for children
- High quality parenting
 - Characterized by high levels of warmth and supportiveness
- Latinx fathers are highly committed to their children and involved in their lives
 - Starts early in childhood and is long-term
 - This contributes to cognitive, language, and social development
- Latinx parents are highly invested in their children's futures – especially in early childhood
- Latinx children experience routines and predictability which supports healthy social emotional development
- Majority of Latinx children with foreign-born parents live in two-parent households
- Latinx children receive support from extended family and intergenerational households
- High co-parenting – typically more responsive and supportive parenting

It is essential for us to acknowledge these strengths and help build on these assets through culturally sensitive programs and services to ensure Latinx families have better outcomes.

As always, we here at the CAHELP stand ready to assist and support you in serving the needs of the youth and families in our communities.

7.9 Case Law Review

Verbal report, no materials

Transition Planning for All Students

This course is specifically designed to provide participants with an overview of the legal mandates and ethical requirements necessary to meet IDEA transition mandates for students with disabilities age 16 and older. An emphasis will be placed on transition services including the Individual Transition Plan (ITP), measurable postsecondary goals, and the legal requirements for developing the Summary of Performance (SOP). Using the person-centered planning process, participants will learn how to generate student profiles essential in the required planning of postsecondary goals.

Participants will learn how to meet the requirement of Indicator 13, strategies necessary to involve students and family members in student-centered transition planning, and review a systematic approach to develop meaningful and realistic transition goals based on student needs, interests, and assessment profiles.
