

Celebrating Families! Breaking the Cycle of Addiction

Celebrating Families!™ (CF!) is a multi-family, strength-based, skill building program serving children ages 6 through 17, their parents, and caregivers. This evidence-based program offers 16 skill building educational sessions. Each session begins with a healthy meal eaten in family groups; followed by age-appropriate youth and adult skill building groups; and ends with a structured, related family activity.

Objectives:

- Help children and families be healthy, responsible, and addiction free.
- Help break the cycle of addiction in families.
- Decrease participants' use of alcohol and other drugs by increasing their knowledge and use of healthy living skills.

Presented By

CAHELP Team

Date

Tuesdays: August 17, 2021 - December 7, 2021
(no session November 23, 2021)
