Hi. I'm Luke Anderson with the California

00:02

PBIS Coalition

00:04

In this video, I'm going to overview the

00:06

2021

00:07

California PBS Coalition Recognition

00:10

System

00:12

This year we have returned to our

00:14

traditional bronze,

00:15

silver, gold , and platinum levels after

00:18

pivoting to Community Cares

00:20

last year when preparing to complete

00:24

recognition for 2021

00:25

You will want to note that the CPC has a

00:28

new website with an enhanced layout

00:30

to locate the recognition content. You'll

00:33

begin by navigating

00:34

to pbisca.org. Next

00:38

you'll click on the recognition drop

00:39

down and finally

00:41

on the recognition guidelines tab

00:44

Once at the recognition page, you will

00:47

see the 2021

00:48

recognition timeline and if you scroll

00:51

down

00:52

you will see a number of links including

00:54

the criteria at-a-glance document

00:56

The webinar slides and recordings, the

00:59

frequently asked questions document,

01:01

and the classroom walkthrough tool. We

01:03

will also be posting links

01:05

to the overview videos at this site and

01:12

Our team at the California PBIS

01:14

Coalition has made a number of

01:16

adaptations to the criteria to provide

01:18

flexibility for sites contending with

01:20

COVID-19 related physical distancing

01:23

Restrictions,

01:24

virtual instructional models, and changes

01:27

to California school dashboard

01:29

We will go into each of these changes in

01:31

detail

01:32

In the criteria specific videos,

01:36

We also wanted to alert you of two

01:39

important changes

01:40

for 2021. The first is the launch

01:43

of the approved CPC external reviewer

01:46

training

01:50

The ACER training will be replacing the

01:52

e-rat and all

01:54

external evaluators will be required to

01:56

recertify

01:57

this year. This year we will also have

02:00

discontinued having separate

02:02

applications for traditional school

02:04

sites preschools

02:06

and alternative education sites all

02:08

sites

02:09

will utilize the standard application

02:13

The ACER training may be accessed at

02:16

pbisca.org

02:17

and requires users to watch a video

02:19

overview and complete several questions

02:22

You must complete the ACER quiz with the

02:24

passing score

02:25

to become authorized. Thank you for your

02:29

interest in the 2021
